Smooth bore barrel of 36" with steel barrel and barrel bands. Brass trigger guard and typical miguelet styled stock. Aged effect to metalwork & stock.	R 4500.00

CATEGORY C ~ EDGED WEAPONS

Lot #	Lot Description	Estimate
C1	German WW1 Reworked French M1886 Chassepot Bayonet French Chassepot bayonet reworked to German configuration. Fullered blade of 250mm, ribbed brass hilt with muzzle ring and quillion removed. Shortened steel scabbard with matching numbers to blade & scabbard. Some sharpening marks to blade and metalwork has not been polished on cross guard. Very rare.	R 1950.00

- C2 German "Ersatz" 1916 Bayonet R 1750.00**
 For use on The M1888, M98, French Lebel and Russian Moisin Nagant series rifles. Fullered blade of 311mm with sear point tip. Pressed steel hilt of two halves which are riveted together. Crudely finished cross guard with muzzle ring and swept-back quillion blade with of 26mm, O.A.L of 435mm. Steel scabbard with two dings to it. Overall good original condition. "Ersatz" bayonets were cheap and more easily manufactured bayonets and were commonly manufactured to fit both the Gew 98 rifles and 71/84 as well as many that were fitted out to fit on captured rifles. They were generally fitted with single-edged knife blades and were issued to rear echelon troops and training units. They had a low survival rate postwar and over 200 different types have been recorded.
- C3 German/Czech Mauser K98 Matching R 1500.00**
 Steel scabbard and leather frog. Matching Dot to ricasso and Dot 43 markings to scabbard. Reversed blade as made by the Czechs, blued and fullered of 297mm, no flash guard to hilt. Good plus to excellent condition but for isolated area of very light pitting to pommel.
- C4 German Model 1888/98 Mauser "Ersatz" Bayonet R 1500.00**
 For model 1888 Kommissionengewhr/1898 Mauser. WW1 emergency bayonet made in 1917 using a French Model 1847 triangular socket blade. Carried in a sheet steel tapered metal scabbard. Blade fitted to a solid steel hilt with muzzle ring ears for the M1888. Green paint finish to scabbard and hilt. Overall good original condition with rough machining and fitting marks evident on muzzle ring and ricasso.
- C5 German Mauser M1898 Carbine Bayonet R 3250.00**
 Extremely rare bayonet. The ricasso is struck with letter "G" in a balloon like circle which stands for Gottscho Berlin. This model 1915 was original manufactured for export to South America but during WW1 was issued to several regular German Army units. It has a one piece grip made of beech and secured by two screws, cross piece with swept back finial, All steel scabbard with frog stud and overall length of 400mm, leather frog to scabbard. Scabbard has a few dings to it, it has a fullered blade of 360mm and a blade width of 23mm. Some dings to scabbard rest good original condition.
- C6 Nazi K98 Matching R 1700.00**
 Matching numbers to ricasso and steel scabbard, "44 asw" manufacturers code to scabbard and ricasso, bakelite grips held by two rivets, bayonet was obviously produced in the latter stages of the war as evidenced by rough finish on blade, cross guard and pommel. Good original overall condition.
- C7 German Mauser Gew 98 1st Pattern Bayonet R 2750.00**
 Steel scabbard with leather frog. Saber blade of 370mm marked to "Simpson & Co Suhl", with Imperial German acceptance stamps to back of blade and pommel. Grooved wooden grips. This is the Seitengewehr 98/05 alter Art (old pattern). Some light pitting to body of scabbard, bayonet in good plus condition.
- C8 German Ersatz Bavarian 1915 Bayonet R 1500.00**
 Fullered spear tip single-edged blade 300mm with ribbed cast steel hilt and machined grooves to it. Forward swept quillion. Ribbed steel scabbard. Green paint finish to hilt & scabbard. Well finished blade, overall good plus condition.
- C9 German Demag/Grabelock Knife Bayonet R 650.00**
 Generally private purchase in WW1, ricasso marked Demag Duisburg, opposite side of ricasso marked Gesetzlich Geschultzt, double edged blade of 150mm, steel scabbard with leather fittings, very good condition. Possible replica?

C10	Oberndorf Mauser Sawback Bayonet Sawback blade of 380mm, ricasso marked to " Waffenfabrik Mauser A. G Oberndorf a N ", bayonet has a hilt and muzzle ring common to the Czech M24 type Mauser, some light pitting to cross guard and pommel, blade in good condition, scabbard shows some light pitting under refinish.	R 1250.00
C11	German 71/84 Dress Bayonet Bayonet is functional and will mount to a Mauser. Excellent manufacturers stampings to ricasso " Weyersbug Kirschbaum & Cie Solingen ". Rare short fuller. Bright finish nickel plating to metal work including leather scabbard mounts. Good plus condition but for some loss of nickel finish in isolated spots.	R 1600.00
C12	WW1 Mauser Ersatz Sawback Bayonet German Butcher sawback blade of 14", steel ribbed hilt. Cross guard with 3/4 width muzzle ring and forward curved quillion. Ribbed steel scabbard displaying some separation bottom of pressed steel sides.	R 1500.00
C13	Nazi WW2 K98 Bayonet Fullered blade with ricasso stamped "cof 44" and serial number to opposite side. Matching numbers to scabbard and ricasso. Wooden grips, steel scabbard, leather frog. Standard Nazi issue WW2. Good original condition.	R 1750.00
C14	German WW1 Model 1916 Bayonet Heavy unfullered blade of 317mm with spearpoint tip. Blade width of 29mm and O.A.L. of 440mm. Solid cast steel hilt with machined slot and one-piece cross guard with muzzle ring ears. Ribbed metal scabbard with finial and leather frog. Frog is "tired", bayonet & scabbard in good original condition.	R 1500.00
C15	German Tax Office KS98 Bayonet Issued to Reichs Finanzverhal Tung (Tax office). Made by " Alexander Koppel Solingen " & " RFV " stamping to cross guard. Typical swept back quillion and eagles head pommel of KS model bayonet. Frog shows separation of stitching, rest in good condition.	R 2500.00
C16	German M1914 Or SG98/14 Standard Patt Bayonet Pommel without flash guard, makers markings which are indistinct to the ricasso appears to be Samson, bright finished fullered blade of 311mm, all steel scabbard, grips are secured by rivets rather than the more common screw bolts, intended for export? Imperial German acceptance stamp to back of blade. Fair to good overall condition.	R 1500.00
C17	German WW1 1914 Sawback Bayonet Sawback blade of 312mm has ricasso marked to " Simson Werke ", flash guard, wooden scales held in place by two rivets. All steel scabbard with frog stud and finial mounted on webbing frog. Good original condition.	R 1750.00
C18	Unidentified German WW1 Gew 98 "Ersatz" Bayonet Solid steel hilt to unfullered 310mm single-edged blade. Steel scabbard with frog stud. No makers mark are visible on the bayonet. Green painted scabbard, dull metal finish to hilt. No muzzle ring or quillion to cross guard. Good original. Very rare.	R 1750.00
C19	Nazi WW2 Dress Bayonet Manufactured by F. W. Holler Solingen with German engraving to blade "In memory of my service time", nickelled finish to eagles head pommel, back swept quillion and blade, chequered black grips. Black steel scabbard with leather frog. Good to good plus condition.	R 1800.00
C20	German S84/98 Pre WW1 Bayonet Made by Alex Copensolingen, stamped Danzig under crown on opposite ricasso, Imperial military markings to cross guard. This SG884/98 1st pattern is made of a second model 71/84 by replacing the pommel grips. Leather scabbard with steel mounts, wooden grips. Good to good plus original condition.	R 1600.00

C21	German "Ersatz" P-14 Enfield Bayonet Bayonet was obviously captured by the Germans and converted for Mauser use, early blade stamped 1913 with British Military Inspectors stamps to opposite side of ricasso, cross guard has had muzzle ring removed and German styled wooden grips and pommel have replaced the British grips and pommel. In standard British issue leather scabbard with blued steel mounts. Good original condition.	R 1750.00
C22	Bavarian M71/84 Mauser Bayonet Second model of the first issue type, ricasso marked to "Simpson & Co. Suhl", Imperial German military markings to cross guard. Wooden grips held by steel rivets, pronounced cuttings in back of grip and cross guard with muzzle ring, Imperial German marks to pommel. Leather scabbard with steel mounts. All in good condition.	R 1750.00
C23	German K98 Mauser Bayonet With steel scabbard and leather frog. "Berg & Co." stamped to ricasso opposite side is stamped with serial number which matches that of the blade. Blued finish, bakelite grips held by two screw bolts, steel flash card, pommel stamped with waffenamt inspection marks. Frog is stamped to Berlin 1938 all in good plus condition.	R 1750.00
C24	German/Austrian M1898 "Ersatz" Emergency Bayonet Single edged spear tipped unfullered of 240mm & 33mm deep, twisted steel handle a continuation of the blade, with crude mounting mechanism. Steel scabbard with frog mounting stud. Some light pitting to scabbard, blade of 9,5" is typically crude. Serial number to hilt.	R 1500.00
C25	German Mod KS98 Mauser Bayonet Bright steel sawback blade of 252mm with "Crown Erfurt" markings to the ricasso, Imperial German inspectors stamp to back of blade and pommel. Typical swept back quillion and eagles head pommel, wooden scales held in place by two screw bolts. Blued steel scabbard which shows some wear to finish. Overall good original condition.	R 2500.00
C26	German Mod KS Sawback Bayonet Original sawback version as issued to KS and machine gunners. Back swept quillion and eagles head pommel, steel scabbard with leather frog, chequered leather grips with small crack forming on left hand grip. Good original condition.	R 2500.00
C27	German M84/98 Sawback Bayonet Made by Bontgen & Sabin Solingen. One of the rarest makers markings found on this model sawback. Steel scabbard with leather frog, sawback blade of 250mm, wooden scales. Bayonet in good condition, scabbard displays pitting. Very scarce.	R 1900.00
C28	Polish M24 Bayonet Second version of the Polish Mauser bayonet, manufactured without muzzle ring, produced by Perkun with the makers name stamped to one side of the ricasso and Polish eagle with W P to other. Steel scabbard. Good plus condition.	R 950.00
C29	Polish Radom Bayonet Steel scabbard with leather frog. Ricasso of 247mm blade marked "FB Radom", dated 1939 on opposite ricasso. Some loss of finish to blue finish on blade, scabbard painted enamel, overall good condition.	R 850.00
C30	8mm Yugoslav M1924 Bayonet Fullered blued blade of 247mm, steel scabbard. Good original condition.	R 800.00
C31	Spanish FR8/Model 1969 Cetme Bayonet Heavily blued, black plastic chequered grips, unique "Bolo" type blade, integral webbing frog. All in good plus original condition.	R 650.00

C32	Hungarian Mannlicher M1935M Cavalry Bayonet Also produced for the 1943M rifle, model 1935M & 1943M sub machine guns. Very unique series of bayonets with a wood grip and 338mm double edged blade. Cavalry version which copies the Austrian sight on the cross guard concept. Steel scabbard produced in small quantities and rather scarce.	R 1950.00
C33	Austro Hungarian M1895 NCO Bayonet Cross guard has muzzle ring and reversed quillion, reversed 245mm fullered blade with Steyr markings to ricasso. Steel scabbard with leather frog. Good overall condition.	R 850.00
C34	Austro Hungarian M1895 NCO Bayonet M1895 carbine bayonet with auxiliary sight on muzzle ring, fullered blued reversed blade of 250mm with Austro Hungarian stamping to it, wooden scales to hilt, blade and hilt in very good condition, steel scabbard shows some loss of finish.	R 850.00
C35	Italian M1891 & 1891/24 Mannlicher-Carcano Bayonet Wooden grips secured by two rivets, left side of cross-guard struck with serial number. Black leather bodied scabbard with blued steel mounts. Good original condition.	R 750.00
C36	Italian M1938 Carcano Folding Bayonet Folding bayonet with 175mm blade, wooden scales, blade and hilt on in very good condition, steel scabbard shows some discolouration to finish.	R 1200.00
C37	Italian Mannlicher Carcano Model 1938 Bayonet Fixed folding model with wooden scales, nickelled finish and Rocca markings to hilt, 165mm blade, plated steel scabbard, good original overall.	R 1250.00
C38	Patt 1839/42 Socket Bayonet Pattern 39 converted to pattern 42 by removing part of the collar and welding a lug to it. Leather scabbard with brass mounts, chape has been attached by means of adhesive tape. Blade of 428mm has military acceptance stamps plus makers marks to it, socket is marked "M R 4832 P O", mrd of 23,8mm, good original condition.	R 850.00
C39	Patt 1884 Martini-Enfield Socket Bayonet With Mk 2 scabbard. Brass mounts to leather scabbard with military inspection marks to both locket and chape, triangular blade of 550mm with following marking "R WD Inspectors stamps plus 7/84". Good original condition but for some loss of stitching and separation on leather.	R 850.00
C40	Patt 1853 Socket Bayonet For pattern 53 Enfield, snider and muzzle loading rifles. Leather scabbard with brass mounts and British WD Broad Arrow marking to it, triangular blade of 435mm has inspectors stamps to ricasso and Unit markings to the pommel. Good original overall.	R 850.00
C41	Patt 1876 Martini-Henry Socket Bayonet Official designation - bayonet- Martini Henry- Long Common. Leather scabbard with brass military marked mounts showing some separation to stitching. Triangular blade of 550mm with War Department Ownership Broad Arrow stamps, military inspectors stamps, number 717 & 96 signifying re-inspection date. Some light pitting to upper part of blade. Conditions of Sale

The following Terms and Conditions as amended by any postal notice or verbal announcement during the sale, constitutes the entire terms and conditions under which the property listed in this catalogue, is offered for sale by Classic Arms and any consignor for the said property that we act for.

- 1) **As used herein, the "bid price"** shall mean the price at which a lot is knocked down by the auctioneer, to a purchaser and the term "purchase price" shall mean the aggregate of:
 - a) The bid price,
 - b) A PREMIUM PAYABLE BY THE PURCHASER OF 12,5% OF THE BID PRICE, + VAT at 14% thereon (i.e. a total premium of 14.25%)

c) And where specifically stated by the auctioneer VAT at 14% of the bid price. It is recorded that the consignor has authorised Classic Arms to retain the premium payable on each lot as part of our remuneration and that the VAT payable on such premium is in addition to such premium.

2. On the fall of the Hammer the highest bidder will have been deemed to have purchased the lot being offered and to have:

- a) assumed full responsibility and liability for the ownership of that lot in accordance with the terms and conditions contained herein
- b) to undertake to settle the aggregate purchase price within a maximum of seven calendar days from the date of sale.

In the case of all firearms it is specifically recorded that the purchaser is deemed to have assumed full liability for ownership and payment in accordance with the terms and conditions contained herein irrespective of the granting or not of a South African Police Services licence or permit for possession of the said lot.

All lots requiring licences shall be retained by Classic Arms pending proof of issuance of said licences.

Should a licence for any lot, for any reason whatsoever, be declined, then the purchaser may require Classic Arms or a registered arms and ammunition dealer of the purchasers choice to resell such lot on the purchasers behalf. Such sale shall be conducted against the prevailing terms and conditions of the chosen dealer at time of resale and, irrespective of the Auction purchase price, at the price determined in agreement with the auction purchaser and the dealer. It is specifically noted that Classic Arms may in no way be held liable for a shortfall if any, between the auction purchase price and the resale price.

Under no circumstances shall any lot requiring SAPS licensing be released to any person or body not duly authorised to be in legal possession of said lot, and unless all monies due have been settled in full and in accordance with the terms and conditions contained herein.

No lots shall be deemed to have been paid for until all monies due have been delivered in cash or in Bank Cleared funds.

All purchases may be paid for in cash, by Master Card or VISA, American Express or Diners Club International, or by cashiers. or Bank Guaranteed Cheque. **A further premium of 5% of the aggregate purchase price including VAT thereon will be levied for all Credit or Charge Card settlements.**

No cashier's cheque will be deemed to constitute payment until the effects thereof have been cleared into the Classic Arms Trust Account.

If the foregoing or any other conditions contained herein are not complied with by the purchaser, in addition to any other remedies available to us and the consignor by law, including but without limitation to, the right to hold the purchaser liable for the purchase price, then we at our sole discretion may:

- a) cancel the sale, retaining as liquidation costs any amounts paid by the purchaser,
- b) resell the property.

3. All payments to be made within 7 days. Property sold at auction and not paid for in full or collected, within 4 (Four) elapsed Months from the date of the auction, shall be deemed to be abandoned UNLESS OTHERWISE NOTIFIED.

The auctioneer reserves the right to dispose of the property in any manner he sees fit and recover reasonable administration and/or storage costs from the disposal of said property and/or the purchaser.

No subsequent claim arising from such a disposal shall be entertained and the auctioneer may not be held liable for any losses incurred by either the consignor or purchaser, or any other party, in this regard either publicly or privately and in such event to hold the purchaser liable for all costs including our commission and expenses for both sales, all other charges due hereunder, our attorneys fees and incidental charges.

All fees commissions, bid prices and duties not settled promptly by the purchaser in terms of this clause 2 shall bear interest at South African Bankers prime lending rate plus 3 percent from the seventh day following the sale until settlement is received in full.
In the event that a purchaser does not effect collection within four months of the sale date, of any item purchased, Classic Arms reserves the right to charge a storage fee of ZAR 150-00 per calendar month or part thereof. Such fee being payable monthly in advance from the first day of the month within which the four month period shall expire. In the event that the purchaser fails in his obligation to Classic Arms to pay such fee, Classic Arms, may at its own discretion, resell such item to recover such fee.

4. We reserve the right to withdraw any property at any time prior to the actual sale of such property. Unless actually stated by the auctioneer, all lots shall be offered against their catalogued number and no lot shall be divided for sale.

5. We reserve the right to reject any bid. The highest bid acknowledged by the auctioneer shall be deemed to be the final bid price. In the event of any dispute between bidders or, if in the sole opinion of the auctioneer he doubts the validity of a bid, the auctioneer shall have the sole right to determine the successful bid or to re-offer the property in dispute for sale. Our sale records shall be conclusive in any dispute during or after conclusion of the sale.

6. If for any reason beyond our control, including but not limited to, fire, theft, acts of God, or insurrection, we are prevented from delivering the property to the purchaser, then we will be liable only for the sum actually paid therefore by the purchaser and shall in no event include payment for consequential or incidental damages.

Classic Arms accepts no liability for any losses of whatsoever nature caused by any legislative changes in regard to the possession, by individuals or bodies, of firearms or ammunition.

7. If a lot is offered subject to a reserve (this being the confidential minimum price required by the consignor) then Classic Arms reserves the right to open the bidding or to bid on the consignor's behalf in order to protect such reserve.

Classic Arms shall not bid on the consignor's behalf above such reserve. IN NO EVENT MAY A CONSIGNOR BID ON ANY PROPERTY OFFERED FOR SALE BY SAID CONSIGNOR.

8. All lots are sold "Voetstoots". ALL STATEMENTS CONTAINED IN THE CATALOG OR IN ANY SALE DOCUMENTATION AS TO THE AUTHENTICITY, VALIDITY, AUTHORSHIP, PERIOD CULTURE, SOURCE, PROVENANCE, RARITY, CONDITION, IMPORTANCE OR HISTORICAL VALUE, ARE STATEMENTS OF OPINION AND ARE NOT REPRESENTATIONS OR WARRANTIES. NOT WARRANTY IS GIVEN AS TO ACCURACY OF RIFLES OR CLARITY OF OPTICS.

9. If we undertake packaging or handling of any lots on the purchaser's behalf it is done so entirely at the purchasers risk. We are not liable for any acts or omissions of carriers or packers including those recommended by us. Such carriers or packers may carry there own insurance and any claims for loss or damage should be addressed directly to them.

10. These Conditions of Sale and the respective rights of the purchaser and Classic Arms, are governed by the laws of South Africa. By bidding at an auction in person, or by agent, order-bid or telephone or other means, the buyer or bidder agrees to be bound by these *Conditions of Sale*.

Any dispute controversy or claim arising out of or relating to this Agreement, or the breach, termination or validity thereof, brought by or against Classic Arms (but not including claims brought against the consignor by the purchaser of the lots consigned hereunder) shall be resolved by the parties in 10.

These *Conditions of Sale*, shall bind the successors and assigns of all bidders and purchasers and inure to the benefit of successors and assigns. No waiver amendment or modification of the terms hereof (other than posted notices or oral announcements during the sale) shall bind us unless specifically stated in writing signed by us.

11. Absentee Bids. As a service to those bidders that are unable to attend the actual auction, we may at our sole discretion accept bids in advance of sale by telephone, or in writing on the bidding forms provided in the back of the sale catalogue.

Please note that we cannot accept "buy" bids and all bids must clearly state the maximum (excluding buyers premium and any applicable taxes) bid that the bidder is willing to pay. In the event that identical absentee bids are received then the first bid received shall take. We accept no responsibility for not executing an absentee bid for any reason whatsoever.

12. Estimate prices. As a service to our clients, we furnish presale estimates for all lots. These estimates are intended as a guide to current market value and represent no warranty to bidder or seller as to the actual price. Bidding normally begins at 50% of the estimate but the final price may be more or less than the estimate value.

13. Sale Increments. The following increments apply to all lots bid for. Please note that the auctioneer will increment the purchase price at these rates and not at any rate bid from the floor. By bidding, a prospective purchaser acknowledges these increments.

0 - 500	R 50-00 increments
501 - 1999	R 100-00 increments
2,000-4,999	R 250-00 increments
5,000-9,999	R 500-00 increments
10,000-19,999	R 1,000-00 increments
20,000 >	R 2,500-00 increments
