- C9 Patt 1888 "SAR" Bayonet R 3500.00**
South African made variant of the Patt.1888 bayonet, produced in the S.A. Railways workshops. Bayonet is relatively crudely finished with forging/machining marks still evident to blade. Steel top mount and chape do not fit well as British made variants do. Walnut grips secured by two screws with nuts. Hilt marked "92" & "Broad Arrow within U". Kakhi camo paint to top mount. Some light surface pitting/scratches to hilt, small chip out of wooden grips, rest good.
- C10 British .303 Patt 1903 Bayonet For S.M.L.E Rifle R 1100.00**
Double edged knife blade of 305mm, lhs of ricasso marked "Crown ER 1903 9/07" manufactured by Wilkinson. Hilt displays some light pitting to it and stamped "R.E 37". Black leather scabbard and leather frog. Overall good original condition.
- C11 Lee Enfield Patt 1903 Bayonet R 1200.00**
For S.M.L.E. rifle Double-edged knife blade similar to Patt. 1888. LHS of ricasso marked "Crown E.R. 1903 & 4 07". RHS of ricasso marked with broad arrow ownership stamp and addorsed arrow disposal stamps. Addorsed arrow disposal stamp to hilt. Brown leather scabbard, steel top mount without frog stud, small steel chape. All in excellent original condition.
- C12 India Patt 1903 Bayonet R 1200.00**
For S.M.L.E. rifle No.1 Mk3. Blade of 305mm without fullers, with a false edge, heavily blued. LHS of ricasso stamped "G.R.I under a crown/ Mk 11*/ 10 44/ R.F.I." Leather scabbard with 1907 type mounts. Made in India from 1944 onwards with simplified hilt with square sided grips & squared pommel. Very good plus condition.
- C13 Wilkinson Lee Enfield Patt 1907 Bayonet R 950.00**
For British .303 S.M.L.E rifle. Includes leather frog. "C.G." markings to earlier pattern frog. Blued blade with ricasso marked "Crown V.R. 1907 6 15 Sanderson". All in very good condition.
- C14 Lee Enfield Pat 1907 Lithgow Australian Bayonet R 1200.00**
For the .303 S.M.L.E. rifle. Australian made variant. Ricasso stamped "MA 1907 4/42" with WD ownership & disposal marks to opposite side, including further "MA" marking. "UDF" ownership stamp to ricasso. Good condition.
- C15 Sanderson Patt 1907 Bayonet R 1000.00**
For British .303 S.M.L.E rifle. Includes leather frog. "C.G." markings to earlier pattern frog. Blued blade with ricasso marked "Crown G.R. 1907 6 15 Sanderson". All in very good condition.
- C16 Remington Patt 1913 Bayonet R 1750.00**
For .303 P-14 service rifle. Typical double groove marking to wooden scales. Ricasso marked "1913 1-17 Remington" with inspectors stamp to opposite side. Good to good plus condition.

- C17 British .303 No 5 Mk I 2nd Pattern Bayonet R 2750.00**
Lhs of ricasso stamped "RFI" indicating Rifle Factory Ishapore manufacture. Wooden grips secured by two screw bolts, bowie blade of 204mm fullered. All steel scabbard. Blade is in excellent original condition, scabbard reblued.
- C18 .303 Patt 1888 Mk II Bayonet R 1250.00**
Includes leather frog. Ricasso has WD broad arrow & "Wilkinson London" markings to it. Two brass rivets securing grips. "P.S.23" marking to pommel. Broad arrow and inspection stamps to scabbard. All good to good plus condition.
- C19 British P1907 Bayonet by Vickers R 2750.00**
For British .303 S.M.L.E rifle. Particularly scarce variant. Only 10 000 Patt. 1907 bayonets were made by Vickers. Blued blade with ricasso marked "Crown G.R. 1907 7 18 Vickers". Various inspection stamps to opposite side of ricasso including WD ownership broad arrow ownership & disposal marks. Good to good plus condition.
- C20 Beaumont Mod 1871 1st Patt Bayonet R 650.00**
Cruciform blade of 515mm, two part locking ring with two screws, no scabbard. Good original condition.
- C21 Netherlands M1895 Mannlicher Carbine Cavalry Bayonet R 1000.00**
Double edged blade of 251mm with ricasso marked "Hembrug". Bayonet has a wooden grip held by two steel rivets, back of the nearly octagonal pommel slightly concaved, serial number to cross guard, scabbard of brown leather with a permanently attached belt frog and retaining strap. Good to good plus condition.
- C22 Mannlicher Rifle 2nd Model Bayonet R 750.00**
T-backed blade of 360mm with double edged point, lhs of ricasso marked with pair of scales between letters "A & C" (Alexander Coppel Solingen Germany). Wood grips secured by two steel rivets, scabbard of brown leather with the permanently attached belt frog and retaining strap, scabbard tip reinforced with finial. The 2nd model bayonet made for the Dutch Mannlicher rifle. Good original condition.
- C23 Mannlicher 1895 1st Model Bayonet R 750.00**
T-back blade of 360mm, double edged point, lhs of ricasso stamped with makers mark "WG" , wood grips secured by two steel rivets with muzzle ring and swept forward quillion, right side of cross guard struck with serial number, scabbard of brown leather with a permanently attached belt frog and retaining strap, scabbard tip re-enforced with a steel finial. Good plus original condition.
- C24 Hungarian Gendarmerie Mod 1895 Mannlicher Bayonet R 1500.00**
Blade from a Model 1854 (Laurentz Socket Bayonet) of 460mm, wood grips held by two rivets, cross guard with muzzle ring, the left side of cross guard stamped "CS 7988". All steel scabbard with long frog stud and finial painted black. Fair to good condition.
- C25 Netherlands KCB 70M1 Mod 63 Stoner Bayonet R 1250.00**
Parkerized Bowie type 175mm blade, the hilt is a one piece marine plastic grip, scabbard green plastic body with parkerized steel top mount and tip. The KCB-70M1 is a combination of a fighting knife, bayonet and wire cutter. Good plus original condition.
- C26 Chassepot Mod 1866 Rifle Bayonet R 1400.00**
Matching numbers to scabbard and bayonet. Fullered Yataghan blade of 575mm with inspection stamps to ricasso. Brass hilt, short spring to right of grip, steel cross guard with muzzle ring and adjustment screw, quillion with finial. Back of blade marked to manufacturer "St Etienne 1870". Steel scabbard with loop and finial. Some wear to blued finish on scabbard which is now an overall grey colour otherwise good original condition.
- C27 Mauser "KS" Bayonet R 2250.00**
Fullered blade with sawback, with 19 saw teeth, rhs of ricasso stamped "crown over ERFURT". Scarce variant with reddish composition grips, cross guard with swept back quillion and birds head pommel, blued steel scabbard with frog stud and finial. Good condition.

- C28 German Mauser Kurzes Seitengewehr Mod 1898 Bayonet R 1750.00**
Fullered blade of 252mm with 19 sawback teeth. Ricasso marked "**crow over ERFURT**", wooden grips secured by two screw bolts, birds head pommel and reversed quillion, steel scabbard, leather frog, wooden grip has a chip where bolt secures it, rest of bayonet good condition.
- C29 German Tax Office KS 98 Bayonet R 2500.00**
Fullered polished blade of 261mm with "**Alexander Coppel Solingen**" marks to ricasso, reversed quillion has "**RFV**" markings to it, chequered composition material grips, birds head pommel, steel scabbard with leather frog. Blade and bayonet are in good plus condition, frog shows some wear. Very scarce bayonet.
- C30 Mauser "KS" Bayonet R 2250.00**
Fullered blade of 252mm with 19 sawback teeth, chequered black leather grips, birds head pommel, both cross guard and steel scabbard carry matching numbers "**KS10521**" markings indicating bayonet was issued to the Kaiserliche Schutztruppen colonial forces in German South West. Good original condition.
- C31 Mauser S1898 aA sawback Bayonet R 1850.00**
Saber blade of 520mm with fullers on both sides, sawback with 28 double teeth, the right side of ricasso struck "**ERFURT under Crown**", brightly polished, one piece wooden grip with eight oblique grooves secured by two screws, 2nd model all steel scabbard with frog stud and finial. Scarce. Good original condition.
- C32 German Mauser Mod S98 N-A New Model Bayonet R 1850.00**
Sabre blade of 520mm, fullered with swelling point, the right side of ricasso struck with "**Simpson & Co Trademark**", brightly polished, hilt of two piece wood grips with nine oblique grooves, secured by two screws, cross guard with short quillion, steel plate behind the cross guard, all metal parts brightly polished, leather frog with brightly polished top mount and chape. Excellent original condition.
- C33 Mauser S98 Neuer Art Bayonet R 1650.00**
Sabre blade of 520mm, fullered with swelling point, the rhs of ricasso struck "**W.K & Cie Solingen**", polished blade, hilt of two piece wood grips with nine oblique grooves, secured by two screw, all metal scabbard with frog stud and finial. This is the second version of the Model 1898 Neuer Art bayonet. Good original condition.
- C34 German SG Model 1898 n/A Bayonet R 1450.00**
Fullered blade shortened from original 520mm to 249mm, rhs of ricasso marked "**C G Haenel Suhl**", wood grips with oblique grooves, secured by two screws with nuts, cross guard with swept back quillion, leather scabbard with steel mounts. Fair to good condition.
- C35 German Mauser 98/05 Bayonet - Henckles R 1450.00**
Shortened butcher blade of 251mm with "**? Werke Bielefeld**" markings to ricasso, reversed quillion, wood grips with oblique grooves secured by two screws with nuts, steel scabbard. Fair condition.
- C36 German Mauser M1898 Carbine Bayonet R 1500.00**
Knife blade of 362mm, lhs of ricasso struck with "**G**" (in script) in blue like circle indicating manufacture by Gottsho Berlin. This model 1915 was originally manufactured for export, but during WW1 it was issued to regular German units. One piece wooden grip secured by two screws, cross piece with swept back finial, all steel scabbard with some dents to it, leather frog. Fair to good condition.
- C37 German Mauser Gew 98 1st Patt Sawback Bayonet R 1800.00**
Sabre blade, fullered with sawback, rhs of ricasso struck "**ERFURT under crown**", back of blade struck with inspection mark and "**Crowned letter W over 17**", hilt has wood grips with oblique grooves, secured by two screws with nuts, cross guard with swept back quillion is marked "**BRP III 1.21**". This is the Seitengewehr 98/05 alter art old pattern pioneer model. Steel scabbard, leather frog. Good original condition.

- C38 World War I Mauser Ersatz Sawback Bayonet R 1600.00**
 This would appear to number 42 in Anthony Carter's book, "**German Ersatz Bayonets**". Cast steel hilt with nine diagonal grooves to the sides, two large domed rivets attach the hilt to the tang. Cross guard with swept-forward quillion. Sawback, fullered butchers blade of 361mm and well-finished. Ribbed, pressed steel scabbard with traces of original paint remaining to it. Overall good plus condition.
- C39 Chinese Mauser M98 Ersatz Bayonet R 2500.00**
 Manufactured after WW1 for export to China and Bolivia. Very rare. Utilises a triangular socket bayonet blade of 420mm, cross guard with muzzle ring, pressed steel handles secured by four rivets, steel scabbard with frog loop and leather frog. No visible marking to lade or handles. Loss of paint finish to handles and scabbard, rest good.
- C40 German WWI Reworked Bayonet R 1400.00**
 Fullered single-edged blade of 249mm, marked "**B.1539**" to right side ricasso and "**Kirsh? Solingen**". Handle is of ribbed brass and appears to be of French origin. Quillion and muzzle ring removed from cross guard. Steel scabbard. Fair to good condition.
- C41 German WW1 Dress Bayonet R 1900.00**
 Etched, unfullered blade of 321mm, wood grips secured by two rivets, cross guard with short quillion, all metal parts brightly finished, blued steel scabbard. Good plus condition.
- C42 German WWI Dress Bayonet R 1400.00**
 Fullered blade of 195mm with rhs of ricasso marked to "**Krezpach Mainz**", wooden grips secured by two screw bolts, birds head type pommel, blued steel scabbard with some loss of finish. Fair to good condition.
- C43 German/Austrian WW1 Bayonet R 900.00**
 Fullered blade of 241mm with rhs of ricasso marked "**Garantie Stahl**", three chips to blade, wood grips held by two screw bolts, short quillion, birds head pommel, frog stud missing from steel scabbard which also displays some pitting to it. Fair to good condition.
- C44 German WW1 Mod 84/98 Sawback Bayonet R 1700.00**
 Sawback fullered blade of 250mm marked "**Gebr. Heller Mariental**" to right ricasso. Plain wood grips secured by two screw bolts. Blued steel scabbard with frog stud. Good original condition.
- C45 German Mauser 84/98 Bayonet R 1250.00**
 Blued steel blade of 247mm, lhs of ricasso struck with makers code of "**44avg**", wood grips held by two screw bolts. Matching numbers to scabbard and blade, leather frog. All in good plus condition.
- C46 German WWII K98 Bayonet - Matching Numbers R 1500.00**
 Ribbed dark composition grips with Waffenamt inspection stamps to pommel. Blued steel blade of 250mm with right side of ricasso marked to "**Coppel G.mbH**". Blued steel scabbard to "**Coppel G.mbH 1939**". Matching numbers "**3104 a**" to scabbard & blade. Overall good plus condition.
- C47 German Mauser Gewehr 1898b 3rd Mod Elite Diamant R 1250.00**
 First issued in 1898 and used until 1945. Blued blade struck with serial number and lhs struck with manufacturers name "**Elite Diamant**". Wood grips held by two screw bolts, steel scabbard , leather frog. Good to good plus condition.
- C48 German K98 WW2 Bayonet - Matching Numbers R 1700.00**
 Includes leather frog. Wooden grips secured by two screw bolts. Waffenamt acceptance stamps to pommel. Manufacturer's code "**S/238**" to left ricasso, serial number 2841d to right ricasso and steel scabbard. There is speculation that this bayonet was also used on one of the German SMG's. Good original condition.
- C49 German Mauser K98 Matching R 1450.00**
 Blued steel blade of 253mm with matching serial number to blade and scabbard, opposite side of ricasso stamped with "**44as**" manufacturers code, bakelite grips, black leather scabbard. Good to good plus condition.

C50	German K98 Mauser Bayonet Rare German K98 bayonet produced in occupied France 1942 by Chaterllerault Arsenal, matching numbers to bayonet and scabbard. Front of scabbard marked "jwn 42". Bakelite grip plates held by two screws, blued steel blade in mint condition.	R 1450.00

- D129 7,65mm Mauser Mod 1914 Pistol R 3000.00**
 Serial number 407267. Fire blue peacock finish to trigger, wrap around wooden grips, Mauser banner to lhs of frame. Good to good plus original condition but for name that has been engraved along side Mauser banner.
- D130 6,35mm Mauser Mod 1910 Pistol R 1500.00**
 Worn chequering to wrap around wooden grips, serial number 273410, faded silver grey finish to metal work, Fair to good condition.
- D131 6,35mm Mauser Mod M1910 Pistol R 2250.00**
 Wrap around chequered wooden grips, bright peacock blue finished trigger, Mauser banner to lhs of frame, serial number 258669. Very good plus condition with high percentage original blue.
- D132 7,65mm Mauser Mod 1914 Pistol R 2000.00**
 Peacock fire blue finish to trigger and extractor. Serial number 3112274. Pistol is in good to good plus condition but for black plastic wrap around grips which are both cracked and chipped.
- D133 6,35mm Mauser WTP Pistol R 2950.00**
 Extremely short magazine, grip housing, barrel length of 57mm, black plastic wrap around grips with Mauser banner to them. Serial number 41469. Speckled loss of finish to slide, good overall.
- D134 9mm Luger P-08 Service Pistol R 8500.00**
 Pistol marked "Erfurt 1917". Matching numbers through-out bar correct wooden base magazine. Fairly sharp chequering to grips, holster wear to high spots on finish, correct straw bluing to takedown lever, trigger & safety. Overall, good original.

- D135 9mmp Luger P-08 Service Pistol** **R 19500.00**
 Manufactured DWM 1911. Scarce variant which is "L.P" marked to back strap, indicating German South West "Landes Polizei" issue. Pistol is manufactured prior to stock lug on the back strap, matching numbers to all components including correct wooden base magazine, crisp chequering to wooden grips, straw blueing to take down lever, trigger and hammer. A scarce variant in good plus original condition.
- D136 9mmp Luger P0-8 Service Pistol** **R 6500.00**
 DWM marking to toggle, 1939 marking to chamber area. Pistol has unusual grip safety to it and no markings to safety, numbers no longer match, back strap is marked "1238M" indicating naval issue?, "Hoesch" marking to front strap of frame, Pistol appears to have been refinished. Fair to good condition.
- D137 9mmp "Vopo" Luger Pistol** **R 6500.00**
 "S42" stamped on slide, chamber area of barrel marked 1920 & 1921, renumbered during Vopo rebuild exercise, all numbers now match including magazine, brown chequered composition grips with concentric circle to them. Good refinished condition.
- D138 9mmp DWM Luger P-08 Pistol** **R 6500.00**
 Manufactured DWM 1917. Chequered wooden grips later alloy based magazine, numbers no longer matching, wear to finish. Fair to good overall condition.
- D139 9mmp Luger P-08 Service Pistol** **R 7500.00**
 Manufactured DWM 1915. Matching numbers through out, straw blue finish to take down lever, trigger and safety. Pistol has Police safety mechanism to it. Chequered wooden grips and spare magazine. Good overall condition.
- D140 9mmp Luger P08 Pistol** **R 7500.00**
 Manufactured Mauser Werke 1939. Pistol is commercially proofed and has German rust "Marking" for safety. Matching numbers to all components but for alloy based magazine which has no number to it. Chequered wooden grips. Good to good plus condition.
- D141 9mmp Luger P08 Service Pistol** **R 9500.00**
 In latter pattern issue holster with spare magazine. Manufactured "Mauser Werke Oberndorf 1936". Original matching numbers to all components but for magazine, bright straw blueing to trigger, take down lever and safety. Pistol is in particularly good condition.
- D142 9mmp Luger P08 "G" Date Service Pistol** **R 12500.00**
 Early acceptance mark designating 1935, designed specifically to hide the continuing German rearming in violation of the treaty of Versailles. In original holster dated 1937 with spare magazine. Scarce "G" mark marked chamber area, correct "S/42" marked toggle. Matching numbers to barrel, frame and toggle. Mismatched number to take down lever, detachable side plate and magazine. Black plastic grips, holster wear to high spots and just behind plate. Overall good original condition.
- D143 9mmp Luger Artillery Pistol** **R 15000.00**
 Matching numbers to all components but for correct wooden based magazine, a rack number appears to have been stamped below the tangent rear sight. Manufactured DWM 1917. Take down lever, trigger and safety catch have remnants of original straw blueing to them. Pistol has a worn blue finish to it and would benefit from a professional re-blue. Good working order.
- D144 9mmp Walther P38 Service Pistol** **R 3000.00**
 Post war alloy framed variant. Slide marked "P38 Cal 9mm Para", matching numbers to slide and frame. Pistol appears to be in good original condition.
- D145 9mm Steyr Hahn Mod 1911 Pistol** **R 4000.00**
 Austrian WW1 service pistol with clip fed 8rd. integral magazine & barrel length of 133mm. Some later converted to 9mm parabellum. Lhs of slide marked "Steyr 1915", matching numbers to slide and frame, safety to hammer, chequered wooden grips. Good original overall condition.

D146	9mmk Mauser HSC Pistol Produced by Mauser-Werke Oberndorf. Barrel length of 85mm with an 8-rd. magazine. D/A trigger mechanism, proofed 1970. Good plus original condition.	R 3250.00

D169	.32 Webley Mk IV Revolver Barrel length of 3", small frame plus chequered hard rubber grip. This model does not have a safety to frame. Very good to good plus condition.	R 1250.00
D170	.32 Webley Mk IV Revolver Barrel length of 3", small frame plus small hard rubber grip, hammer safety to frame. Very good condition, includes leather flap holster.	R 1250.00
D171	.38 Webley Mk IV Revolver Barrel length of 3", hammer safety to small frame which has large hard rubber grip to it, revolver is in mint original condition.	R 1250.00
D172	.455 Webley Mk4 Service Revolver British military acceptance/inspection stamps to frame. Adorsed arrow official disposal stamps to barrel. Very good to excellent original condition with sharp edges and crisp markings.	R 7500.00
D173	.455 Webley Mk 6 Service Revolver Barrel length of 6" and squared butt which was unique to the Mk6. Chequered hard rubber grips. Revolver is dated 1916. Good refinished condition.	R 4500.00
D174	.38 Webley Mk4 "War Finish" Service Revolver Typical "rough" machining marks visible on through-out frame and 5" barrel. "War Finish" marking to frame. Black chequered hard rubber grips and lanyard ring to butt. Extremely good original condition.	R 1450.00
D175	6,35mm Ortgies Patent Pistol Manufactured by "Deutsche Werke Erfurt", wooden grip panels with Deutsche Werke logo to them, Jan Smuts serial number to rhs of slide, 69mm barrel, loss of finish to slide from holster wear. Fair to good original condition.	R 1250.00

- D176 .223 Springfield Armoury Conversion for Colt 1911** **R 6500.00**
 Conversion kit by "Springfield Armoury USA" marked "1911-A2 SASS" to fit Colt 1911 pistols. Barrel length of 14,8" with Springfield marked mounts and "M6 Scout" scope by "Springfield Armoury". Includes instruction manual. Excellent condition.
- D177 7,63mm Mauser C96 Broomhandle Pistol - Pre 1898** **R 25000.00**
 "Conehammer" model with matching number to shoulder stock/holster. Serial number 3549 indicates 1897 manufacture. Rifling in barrel is considerably worn but exterior of pistol is very good with correct straw bluing to trigger, selector, firing pin stop and sight slide. Pistol also has Jan Smuts number to front strap of pistol.
- D178 7,63mm Mauser C96 Broomhandle Pistol - Pre 1898** **R 15000.00**
 With shoulder stock. Cone hammer model with unusual fixed sights. Serial number 10210 indicates 1897 manufacture. Relatively good bore, overall loss of finish, matching numbers throughout pistol. Scarce model, unusual to encounter such a good bore in an early pistol.
- D179 7,63mm Mauser C-96 "Flatside" Large Ring Hammer** **R 14500.00**
 With matching number shoulder stock. Serial number 23976 indicates 1899 manufacture. Overall fair condition with Some pit marks to both slide and frame areas.
- D180 7,63mm Broomhandle Mauser Large Ring Pistol** **R 18500.00**
 Serial number 32642 indicates 1903 manufacture. With matching number shoulder stock. Fair to good bore, finish of pistol is in good plus to excellent condition. Overall good plus.
- D181 7,63mm Broomhandle Mauser C96 Pistol** **R 9500.00**
 Matching numbers throughout pistol, non matching numbers to stock which has been re-enforced with a brass strap to it. Serial no. 37077 indicates 1904 manufacture. Hinged lid has also been repaired. Bore of pistol shows usual broomhandle wear pattern. Finish has been removed from pistol which shows an overall silver grey exterior. Fair to good condition.
- D182 7,63mm Broomhandle Mauser C-96 Pistol** **R 11000.00**
 With shoulder stock and very scarce leather holster. Matching numbers to pistol, non matching number to shoulder stock. Serial number 308494 indicates 1915 - 1921 manufacture. Pistol appears to have been reblued at some stage of its life. Good refinished condition pistol, extremely good stock with Mauser banner to it, very good holster.
- D183 7,63mm Broomhandle C96 Bolo Mauser Pistol** **R 19500.00**
 With matching number shoulder stock. Serial no. 499600 indicates 1921-23 manufacture, with Mauser banner to stock, pistol is in excellent condition with a very good bore and would appear to have seen very little use.
- D184 7,63mm Astra Model F Pistol** **R 22500.00**
 With matching shoulder stock . Rear sight graduated to 1000m, selector has been professionally and neatly modified so that it no longer engages in full auto function. Serial number 34728, matching number include magazine and shoulder stock. Includes spare magazine. Excellent overall condition
- D185 9mm Astra Mod E Pistol** **R 25000.00**
 With Matching shoulder stock. WR number has been lightly engraved to side of frame, original serial number 30197, rear sight graduated to 500m, detachable box magazine, pistol selector on pistol has been modified so that it only fires on semi auto function. Good plus overall.
- D186 7,63mm Broomhandle Mauser C-96 Pistol** **R 9500.00**
 Serial number 131345 indicates 1911 - 1915 manufacture. Mismatched numbers to pistol and stock, pistol has been refinished and still has a reasonable bore.

- D187 9mmk CZ Mod 91S Skorpion HMC - Cased** **R 11500.00**
Includes spare magazine, suppressor and threaded muzzle cap. The 7,65mm Skorpion was a favourite concealable HMC with the various liberation forces. The 9mmk is the identical gun with a bit more punch to it. Barrel length of 4,5", folding skeleton stock and fires from a closed bolt. Includes holster and spare magazine. Very good condition.
- D188 9mmp Star Mod Z/62 HMC** **R 9500.00**
Very seldom encountered, the Star has an under folding stock, 8,3" barrel, perforated barrel jacket and fires from an open bolt. Produced 1960 to 1970, issued to Spanish army, Guardia civil and others. Good plus condition.
- D189 9mmp Sanna 77 HMC - Cased** **R 3250.00**
SA built variant using equipment that was first used in Rhodesia to build what the Rhodesians termed the GM15 which in turn was based on the Czech VZ24 HMC. Fires from an open bolt with a 35round magazine. The HMC has an original Rhodesian metal folding stock fitted to it which is far superior to the SA manufactured plastic version. Complete with spare magazine. Gun is in good original condition
- D190 9mmp Mod S1 SA Uzi HMC** **R 9500.00**
Licence manufactured in Pretoria, under approval from FN, the S1 was issued to SA Military police and Railway police units. There are no identifying marks to the SA built variant other than a "**P within a circle**" to the barrel which indicated Pretoria proofing. Extremely scarce, these have never been available on the South African commercial market. Some dings and handling scratches overall good plus with an excellent bore. Matching serial numbers to all components. Good original condition.
- D191 9mmp R76 HMC** **R 5500.00**
Rhodesian designed and manufactured, frame is made of square tubular steel. Barrel length of 6" barrel .Extended Browning HP magazine. Telescoping steel stock. Good original condition.
- D192 9mmp BXP HMC** **R 7500.00**
SA made hmc with thirty-five round magazine, folding stock which also functions as a fore grip. Good plus to excellent condition.
- D193 9mmP BXP HMC** **R 7500.00**
SA made hmc with thirty-five round magazine, folding stock which also functions as a fore grip. Carbine has a black gun coat finish to it. Very good condition.
- D194 9mmp Inter Dynamix HMC** **R 9500.00**
Fitted with detachable suppressor, carbine is marked to "**Interdynamix Miami FL 9mmLuger Mod Kg-9**", has a telescoping rear stock and five spare magazines and instruction manual included. Good plus condition.
- D195 9mmp H&K SP89 MP 5 SF Model HMC** **R 45000.00**
This variant of the MP5 has a short 4,75" barrel, a polymer synthetic guard to the muzzle area to prevent muzzle burn when firing and does not come with a telescoping stock. Sling swivel fitted to the rear, two position selector, marked "**HK SP89**". Mint condition.
- D196 9mmp Sterling HMC** **R 8500.00**
Designed to replace the Sten gun, the Sterling was a far superior item and developed a reputation for reliability. This was aided by a decent magazine with a roller feed mechanism. Ex Rhodesian army issue. Good working order and condition.
- D197 12ga Protecta Combat Shotgun** **R 2500.00**
Folding stock, 11,5' barrel with twist pistol grip mounted to barrel casing, 12 round magazine apacity. Good plus original condition.

Barrel length of 30,7", 6 round magazine capacity, pistol grip to stock, matching numbers to all metal work. Good to good plus original condition.
- F32 7,5mm Schmidt Rubin K31 Target Rifle R 9500.00**
With Swiss diopre target sights, iris adjustment front and rear. Complete with sling, muzzle protector and Swiss K31 military manual, sight attachment tools and a selection of front sight inserts included. Matching numbers to all metal work. Good plus original condition.

- F33 .577 Snider Carbine** **R 2850.00**
 Lock marked, "Crown V.R. 1861 Enfield". Barrel length of 18,5". Good refinished condition.
- F34 .577/450 Martini Henry Witten Carbine** **R 7500.00**
 Lhs of action carries Witten Coat of Arms and is dated 1879. Witten Coat of Arms to lhs of butt as well. The Witten carbine was unique in having a sling swivel mounted to the top rear of the butt and barrel band mounting to first band. Barrel length of 23" includes clearing rod. Good plus original condition.
- F35 .450 No. 2 Musket Martini by Witten** **R 6500.00**
 Lhs of action carries Witten Coat of Arms and is dated 1882. Witten Coat of Arms to lhs of butt as well. The Witten carbine was unique in having a sling swivel mounted to the top rear of the butt and barrel band mounting to first band. Barrel length of 23", missing clearing rod. Good refinished condition.
- F36 7,92x57mm KAR 88 Service Carbine** **R 4500.00**
 Manufactured by "C.G.Haenel Suhl 1891". Tubular guard to 8" barrel, matching numbers, typical carbine fore and rear sights, stock has been broken through the wrist and has a period leather repair to it. "UDF" WW2 ownership and disposal marks, "S" to receiver ring signifies barrel upgrade to JS specification. Good condition apart from repair to wrist.
- F37 7,65mm Argentinian Mauser Model 1891 Rifle** **R 2500.00**
 Lhs of receiver marked "Mauser Modello Argentino 1891 Manufactura Loewe Berlin". Rifle has a 29,1" barrel and 5 round magazine, straight grip with half length upper hand guard. All matching numbers including cleaning rod. Argentinian Crest has been removed from top of receiver ring as is standard with all ex Argentinian rifles. Rifle is in good plus original condition but for addition of rubber butt plate.
- F38 6,5x55mm Swedish Mauser M96 Rifle** **R 6500.00**
 Action similar to the model 1894, 29" barrel, full length stock, half length upper hand guard and bayonet lug. Receiver ring marked "Waffenfabrik Mauser Oberndorf a/n 1900". Includes cleaning rod matching numbers. Rifle is complete with brass condition indicator and graduation table to butt. Good plus original condition.
- F39 7,63x54R Moisin Nagant Mod 1891 Sniper Rifle** **R 8500.00**
 Manufactured Russia 1942. Barrel length of 28,75". Rifle is fitted with issue side mount for Russian sniper scope. Appears to have matching numbers includes cleaning rod. Expected dings and scratches from a rifle that has seen service. Rifle is equipped with standard lengthened bolt for sniper use. Rifle saw use in the Rhodesian Bush War. Fairly good original condition.
- F40 6,5mm Italian Carcano Model 1891 Rifle** **R 2500.00**
 Produced at Brescia Arsenal 1894. Rifle has a 30,6" barrel, 6 shot Mannlicher clip loading magazine, full length stock, split bridge receiver and tangent rear sight. Octagonal section behind the rear sight typical of early models. Good original overall.
- F41 7,92x57mm Erfurt "KS" Gew 98 Rifle** **R 12500.00**
 "Erfurt 1902" marking to receiver ring plus "UDF" ownership and disposal marks. "KS" model was unique to German South West Africa and German East Africa, having been issued to the Colonial Service "Kaiserliche Schutztruppen" forces. It has a rear sight beginning at 200m rather than 400m as found on the standard Gewehr 98 and also a turned down rather than straight bolt handle. This rifle is a particularly good example with matching numbers to all components. It also has a "KS" roundel to the butt. Good plus original condition.

- F42 7,92x57mm "L.P." Gew 98 Rifle R 12500.00**
Receiver marked "Spandau 1900" and "LP 200" .LP model was unique to German South West Africa and German East Africa, having been issued to the Colonial Service "Landes Polizei" forces. It has a rear sight beginning at 200m rather than 400m as found on the standard Gewehr 98 and also a turned down rather than straight bolt handle. This rifle has matching numbers to all component also has a "LP" roundel to the butt. Rifle has previously had a target rear sight fitted below the bolt stop which has now been removed. There is a repaired crack to the grip. Relatively good condition.
- F43 6,5x58mm Portuguese Mauser M1904 Rifle R 2250.00**
Survivor of the German South West campaign 1914/15, rifle carries Crest of both Juan Carlos I and "UDF" ownership stamps, serial number E8225 to all major components. Includes leather sling, Good original condition.

- F52 6,5mm Beretta Carcano "Duke of Aosta" Carbine R 55000.00**
Original Beretta Carcano presentation grade carbine made for Amadeus, the "Duke of Aosta" by Abyssinia in 1939. Gold-plated and fully engraved receiver, gold plated trigger and stock fittings, engraved magazine box, inlaid silver emblems on fancy grain wooden stock. These rifles were hand made for the Duke's guard of honour by Beretta during WW2 and it is generally accepted that only 50 of these rifles were made. This particular model is the "Officer's Model" which has more extensive and ornate stock inlays of which only six are known to exist. Rifle is complete, functional and fully original with integral folding bayonet, original finish on all parts. Marked "Beretta Gardone" and "1939 XVII" on barrel. Significant South African heritage as these rifles were liberated by South African military forces during WW2. Excellent condition.

Double recoil lugs to receiver, lever release floor plate, double trigger action. Wrap around chequering to fore end, two panel chequering to pistol grip which is mounted with a steel cap, cheek piece and solid butt plate to well figured stock. Rifle bore displays expected accepted wear to rifling. Rifle is in an excellent professionally refinished condition.
- F129 .458mag FN Browning M98 Rifle** **R 14500.00**
 Ramp fore sight and three leaf rear sight to 24" barrel. Rifle is built on commercial FN Mauser action which has solid side wall, swept bolt handle, low profile shroud, side safety, adjustable trigger and button release mag floor plate. Stock has wrap around chequering to fore end, two panel chequering to pistol grip, cheek piece and FN recoil pad. Rifle is in an excellent over all condition apart from one or two light scratches to varnish finish on stock.
- F130 .500jeffery Custom Rifle by Jurie Majoor** **R 95000.00**
 Custom rifle built on double square bridge magnum Mauser action by the late, renowned custom rifle smith, for sale on Phasa auction 1999. Rifle has 24" barrel carrying banded front sight, barrel band swivel and quarter rib with three leaf rear sight mounted to it. Magnum magazine floor plate has Phasa symbol to it with gold outline and dated 1999. Wrap around chequering to fore end which also features barrel mounted recoil lug, as well as double recoil lugs to the action, pistol grip with wrap around chequering and steel grip cap, solid red Silvers recoil pad with well figured classic styled stock. Extremely well built rifle with classic lines, excellent condition.
- F131 .410 Stevens Model 530 S/S Shotgun** **R 1950.00**
 Good bores to 26" barrels, box lock, double trigger, extractor action, colour case hardened receiver, high percentage original blue remaining to barrels. Good original condition overall.
- F132 20ga Zabala S/S Shotgun** **R 5000.00**
 Box lock, double trigger, extractor action, excellent bores to 27,75" barrels, tight lock up, wrap around chequering to beaver tail fore end, Butt has been shortened and then refitted with original wood giving 14" lop. Overall good plus original but for extension on butt.
- F133 16ga Belgian S/S Shotgun** **R 2000.00**
 Box lock, double trigger, non-ejector engraved action with side clips and Greener type cross bolt, good bores to 28,5" barrel, tight lock up, wrap around chequering to both fore end and straight wrist, 15" lop to stock which has been fitted with Pachmayr decelerator recoil pad. Good plus condition.
- F134 .22lr/410 Savage Model 24 Rifle** **R 2250.00**
 Open sights to 24" barrels, bores are good, lock up is tight. Very good refurbished condition.
- F135 .22/410 Savage Model 24 Rifle** **R 2250.00**
 Open sights to 24" barrels, bores are good, lock up is tight, colour case hardened action. Good original condition but for barely visible replacement chip to bottom of stock.

- F136 9,3x72R/16ga S/SCombination By J P Sauer & Sohn R 7500.00**
 Scalloped box lock, double trigger action, with cocking indicators, bold fences and extensive engraving, marked to "J P Sauer & Sohn Suhl", good plus bores to 26,75" barrels, horn tip and wrap around chequering to fore end, two panel chequering to pistol grip, cheek piece to butt which has a basket weave type butt plate fitted, some slight loss of finish above right hand chamber due to carrying wear. Overall the gun is in good to good plus condition.
- F137 12ga/7,92x57Rmm German Drilling R 17500.00**
 Greener type cross bolt, side clips and disk set strikers to scalloped box lock action, full engraving to action top levers and trigger guard with cocking indicators to action. Good bores to 29,5" barrels, flip up rear sight when rifle barrel is engaged, wrap around chequering to fore end, two panel chequering to semi pistol grip type stock with Germanic butt plate to it. Overall very good plus refurbished condition.
- F138 12ga Joseph Lang & Sons S/S Shotgun R 19500.00**
 Nitro proofed, steel 30" barrels marked "G F Whitby from Joseph Lang & Son" & "2 Sheldon road Cricklewood N.W.". Barrels choked 3/4 and 1/2. Boxlock ejector scalloped action extensively engraved, displaying a fair degree of original colour case hardening to it. Sunken panel chequering to stock, extremely well figured walnut stock. Mint bores, tight lock up. Superior grade firearm in very good original condition.
- F139 12ga S/S Shotgun By William Evans R 5000.00**
 Engraved, box lock double trigger, ejector action, relatively good bores to 30" barrels, loose top rib, possible replacement fore end, two panel chequering to straight wrist and Pachmayr recoil pad to butt. Fair to good condition.
- F140 12ga Greener S/S Box Lock Shotgun R 3500.00**
 Built on the Greener Empire action, some light pitting to 30" bores, nitro proofed for 1,25oz loads, horned tip to chequered fore end, wrap around chequering to semi pistol well figured stock, Pachmayr "Decelerator" recoil pad to butt, typical Greener side safety. Professionally reblued fairly good condition.
- F141 12ga Lancaster S/S Shotgun R 7503.00**
 Side lock ejector action with double triggers, relatively good bores to 30" barrels, top rib marked "Charles Lancaster's W&R Hammerless ejector". Lancaster crown trade mark to locks and top rib. Chequering to fore end tip and straight grip, Whiteline recoil pad to butt giving a 14,75" lop, tight action. Relatively good refinished condition.
- F142 12Ga Holland & Holland Royal S/S Shotgun - Cased R 95000.00**
 In factory oak & leather case with all accessories. Gun is black powder proofed with 30" steel barrels. Sidelock action has full rose & scroll engraving with correct straw and peacock bluing to pins, lever etc. Very highly figured walnut stock. Cleaning kit, oil bottle & H&H snap-caps to case. All in very good condition. Canvas carrying bag to protect leather case.
- F143 12ga Beretta SO4 sidelock Shotgun - Twin Barrel set R 95000.00**
 High grade gun which is cased in a Beretta factory hard case. First barrel set is a pair of 30" barrels which are equipped with a set of six Teague multi-chokes and wrench. Second set of 28" barrels choked imp. cylinder. Cross bolt to sidelock action which is equipped with scroll engraved sidelocks and single trigger. L.O.P. of 14,75" to high grade walnut stock which has a pistol grip type stock and Pachmayr "Decelerator" pad. All in excellent condition.
- F144 12ga Browning A5 Shotgun - Cased R 3250.00**
 Fn Belgian made semi-auto "Humpback" in custom wooden case. Barrel length of 29,5", straight English styled stock. Extremely good original condition.

- F145 12ga Arrizabalaga Sidelock S/S Shotgun - Cased R 35000.00**
 Top grade sidelock ejector game gun with hand-detachable lock plates, disc-set strikers and side clips to rose & scroll engraved colour case-hardened action. Gun has 27,75" steel barrels which are choked 1/2 & 1/4 and marked "**Acero Chromo Niquel**" and "**Pedro Arrizabalaga-Eibar**". Gun has a straight English styled stock of superior grade walnut with a 14,5" L.O.P. All in mint condition. Arrizabalaga has a reputation for only making top-grade guns and prices for cased guns normally start at around \$29000.
- F146 12Ga Webley & Scott Shotgun - Cased R 4500.00**
 In canvas and leather case marked to Alex Martin inside lid. Boxlock ejector action with 28" nitro-proofed steel barrels which are choked 3/4 & 1/4. Barrels marked to "**Webley & Scott Ltd. Birmingham**" & "**55 Victoria Street London S.W.1.**". Border scroll engraving to action, straight wrist. Well figured walnut stock with chequering that would clean-up well. Some loss of finish to action which is border engraved. Good blued finish to barrels. Case includes cleaning rods, snap-caps and variety of brushes/jags. A good clean gun with good bores and a tight action.
- F147 12ga Boss Sidelock S/S Shotguns - Pair - Cased R 650000.00**
 A matched pair of best quality sidelock ejector shotguns, formerly the property of the renowned SA industrialist "**Punch Barlow**". Guns are consecutively numbered 6441 & 2. The guns are numbered "**1 & 2**" and the barrels of No.2 have been replaced/re-sleeved by Westley Richards and reproofed. Both sets are proofed for 70mm loads. Both guns carry full rose & scroll engraving to the ejector actions which are marked to "**Boss & Co.**". Superbly figured walnut stocks with 14,25" lengths of pull. Oak & leather makers case with label to lid addressed to "**13 Dover St. Piccadilly**" and leather and canvas protective cover to case. Case includes snap caps, cleaning rods and barrel handguard. All in excellent condition.
- F148 .45/70 C W Andrews Double Rifle - Cased R 37500.00**
 Cased in leather & canvas English case which has been professionally refinished by John Matthews. Rifle is a back-action sidelock hammer gun which has been professionally refurbished by Willie Pretorius in an exercise that involved replacing barrels, replacing fore-end and re-bluing. Barrels marked "**C. W. Andrews Ld. London Ammunition .450 Express**" and "**Willie Pretorius Master Gunsmith cal.45-70**". Barrel length of 26" with three leaf rear sight. Lock plates marked "**C. W. Andrews Ld.**". Pistol grip stock with 14,25" L.O.P. steel grip cap, escutcheon plate to stock and ribbed horn butt plate. Case includes nickel oil bottle, brass take-down cleaning rod, English sling and three turn-screws. All in excellent condition.
- F149 .303brit Rigby S/S Double Rifle - Cased R 130000.00**
 Rifle is a top-lever, boxlock ejector gun with 28" barrels carrying a leaf and ladder rear sight and a ramped rib front sight. Barrels have a "dolls-head" locking extension to them and are marked "**John Rigby & Co. 72 St. James's St London and at Dublin**". Gun is proofed for 38grs. of Rifleite. Serial number 6492. Greener type side safety to stock. Rifle has been professionally restocked with high grade walnut and has a solid red Silver's recoil pad fitted to the butt. Supplied in a hard canvas and leather case with a Rigby double rifle manual, trade label, charge sheet, oil bottle and custom knife. Barrel shows typical "cordite burn" to the grooves but should still make a good shooter. Very good refinished condition.
- F150 12ga CZ O/U Twin Barrel Set Shotgun - Cased R 6500.00**
 First set of barrels are marked "**Model ZH102**", are 26" long and have ported muzzle vents. Second set of barrels are 30" in length, choked 3/4 and 1/2 and are marked "**Model ZH103**". Action is typical CZ slide-back type. Gun is configured with double triggers which can be used in either single or double trigger fashion. All in excellent condition. Gun is in a custom made hard gun case.

- F151 12ga Browning B25 O/U Shotgun - Cased** **R 67500.00**
 Chardonnay Model D3 built at the FN custom plant in Belgium. Known as the superposed in USA. Set of five Teague chokes come fitted to 31,75" ribbed barrels which are in excellent condition. Extensive rose & scroll engraving to single selective trigger, ejector action. L.O.P. of 14,5" to select grade stock with pistol grip and Pachmayr "Decelerator" pad fitted. Cased and all in excellent condition.
- F152 12ga Beretta hammer S/S Shotgun - Cased** **R 6500.00**
 Gun was built in 1939 on a "monobloc" with bar action hammer sidelocks. Gun has a square cross bolt and side clips to the action. Steel nitro-proofed barrels of 28,5" marked "Cockerill Extra", "Monobloc Vittoria" and "Pietro Beretta Gardone V.T." Lock plates are marked with a Pointer engraving to one side and a snipe to the other. Extensive scroll engraving to action. Stock has straight English styled wrist and stock has had an extension added to it to give a long 15" L.O.P. The gun appears to be in extremely good original condition and it is very seldom that one can acquire a hammer gun that is suitable for modern loads. This is such a gun.
- F153 12ga Westley Richards S/S Shotgun - Cased** **R 17500.00**
 In brass-cornered leather factory case with Westley-Richards label to lid. Boxlock ejector gun with 30" nitro-proofed barrels choked Full & Imp. Cyl. Very good bores. Serial number T8019. Semi-pistol grip type stock of well-figured walnut. Horn tip to fore-end. Westley-Richards marked solid butt plate. Much colour case-hardening to action. Gun appears to be in particularly good original condition and shows very little signs of use. Case in good plus condition as well.
- F154 12ga Winchester M21 S/S Shotgun** **R 29500.00**
 Box lock single selective trigger ejector action, barrel length of 30" with 1/2 & 3/4 chokes, beaver tail type fore end, pistol grip stock of well figured walnut, serial number 11756, good bores, tight action. The model 21 has long been one of the most sought after American shotguns. Action appears to have been reblued otherwise good original condition.
- F155 12ga Winchester M12 Pump-Action Shotgun** **R 6500.00**
 Serial number Y2025766. Ventilated rib, full choke 30" barrel with additional bead to middle of rib. Highly figured pistol grip style stock with ventilated recoil pad, four panel chequering to fore end, two panel chequering to wrist, 14,5" lop. Good to good plus condition. A sort after gun.
- F156 .45/75 Winchester M1876 Lever Rifle - Pre 1898** **R 22500.00**
 "Afrika" model with 8-leaf express rear sight. Serial number 37225 indicates 1890 manufacture. Rifle has 28" octagonal barrel, full length magazine tube, straight grip, crescent butt plate and walnut stock. Stock is chipped below tang, has been refinished at some stage and is missing the front & rear sling swivels. No original finish remaining to rifle which is a silver-grey colour to the metalwork. Good working order.
- F157 .375H&H mag Musgrave "Afrika" Mod 98 Rifle** **R 40000.00**
 Particularly scarce variant of the "Afrika" model, one other version of which is known, built by Musgrave custom shop. Folding hood front sight, barrel band swivel and quarter rib with one fixed and three folding sights to 24" barrel. Leupold Vari X2 compact 1-4 scope on H&H type QD mounts. Low scope safety and adjustable trigger with large magnum type magazine box with "Afrika" marked straddle floor plate. Built on a DWM M98 action. Stock has ebony fore end tip, wrap around chequering to both fore end and pistol grip, engraved steel grip cap, shadow line cheek piece and solid red recoil pad to well figured walnut stock. The mod 90 actioned "Afrika" model is often encountered but there is only one other Mod 98 actioned "Afrika" model known. A top grade rifle in exceptionally good condition.

F158	.303 BSA Lee-Sporting Rifle - Pre 1898 Folding front hood, barrel swivel and leaf and ladder rear sight to 25" barrel. Action has flat bolt handle, five round magazine, border engraving to action and magazine and is "BSA" marked. Horned fore end tip and grip cap, wrap around chequering to fore end and pistol grip, steel butt plate with hinge opening to it. Bore should still be quite shootable, well figured walnut stock. Good to good plus condition.	R 4500.00
F159	.275 Rigby Sporting Rifle Built circa 1899 on a small ring Mauser Oberndorf action. The bore is very sharp with some very minor darkening that will clean up. The rifle overall is in very good to excellent condition and has a quick detachable side mount with a Leupold scope. There are some expected handling and storage dings (very light) to the stock. the cocking piece peep sight is not present but the cocking piece is dove tailed to receive one. Overall the rifle is in original condition and appears not to have been re-worked at all. Small ring Rigby's in .275 are rare.	R 120000.00
F160	7,62MM Sig AMT Rifle Civilian variant of the Sig STGW57 military rifle, based on the German STG45. Pressed steel receiver, folding bipod, wood butt and barrel jacket. Rifle is manufactured by Sig. It has had an extension piece added to the stock to give an extend length of pull. This can easily be sestored to original configuration. Very good condition.	R 27500.00

Conditions of Sale

The following Terms and Conditions as amended by any postal notice or verbal announcement during the sale, constitutes the entire terms and conditions under which the property listed in this catalogue, is offered for sale by Classic Arms and any consignor for the said property that we act for.

- 1) As used herein, the "bid price" shall mean the price at which a lot is knocked down by the auctioneer, to a purchaser and the term "purchase price" shall mean the aggregate of:
 - a) The bid price,
 - b) **A PREMIUM PAYABLE BY THE PURCHASER OF 12,5% OF THE BID PRICE, + VAT at 15% thereon (i.e. a total premium of 14.375%)**
 - c) And where specifically stated by the auctioneer VAT at 15% of the bid price. It is recorded that the consignor has authorised Classic Arms to retain the premium payable on each lot as part of our remuneration and that the VAT payable on such premium is in addition to such premium.

2. On the fall of the Hammer the highest bidder will have been deemed to have purchased the lot being offered and to have:
 - a) assumed full responsibility and liability for the ownership of that lot in accordance with the terms and conditions contained herein
 - b) to undertake to settle the aggregate purchase price within a maximum of seven calendar days from the date of sale.

In the case of all firearms it is specifically recorded that the purchaser is deemed to have assumed full liability for ownership and payment in accordance with the terms and conditions contained herein irrespective of the granting or not of a South African Police Services licence or permit for possession of the said lot.

All lots requiring licences shall be retained by Classic Arms pending proof of issuance of said licences

Should a licence for any lot, for any reason whatsoever, be declined, then the purchaser may require Classic Arms or a registered arms and ammunition dealer of the purchasers choice to resell such lot on the purchasers behalf. Such sale shall be conducted against

the prevailing terms and conditions of the chosen dealer at time of resale and, irrespective of the Auction purchase price, at the price determined in agreement with the auction purchaser and the dealer

It is specifically noted that Classic Arms may in no way be held liable for a shortfall if any, between the auction purchase price and the resale price.

Under no circumstances shall any lot requiring SAPS licensing be released to any person or body not duly authorised to be in legal possession of said lot, and unless all monies due have been settled in full and in accordance with the terms and conditions contained herein.

No lots shall be deemed to have been paid for until all monies due have been delivered in cash or in Bank Cleared funds.

All purchases may be paid for in cash, by Master Card or VISA, American Express or Diners Club International, or by cashiers. or Bank Guaranteed Cheque. **A further premium of 5% of the aggregate purchase price including VAT thereon will be levied for all Credit or Charge Card settlements.**

No cashier's cheque will be deemed to constitute payment until the effects thereof have been cleared into the Classic Arms Trust Account.

If the foregoing or any other conditions contained herein are not complied with by the purchaser, in addition to any other remedies available to us and the consignor by law, including but without limitation to, the right to hold the purchaser liable for the purchase price, then we at our sole discretion may:

- a) cancel the sale, retaining as liquidation costs any amounts paid by the purchaser,
- b) resell the property.

3. All payments to be made within 7 days. Property sold at auction and not paid for in full or collected, within 4 (Four) elapsed Months from the date of the auction, shall be deemed to be abandoned UNLESS OTHERWISE NOTIFIED.

The auctioneer reserves the right to dispose of the property in any manner he sees fit and recover reasonable administration and/or storage costs from the disposal of said property and/or the purchaser.

No subsequent claim arising from such a disposal shall be entertained and the auctioneer may not be held liable for any losses incurred by either the consignor or purchaser, or any other party, in this regard either publicly or privately and in such event to hold the purchaser liable for all costs including our commission and expenses for both sales, all other charges due hereunder, our attorneys fees and incidental charges.

All fees commissions, bid prices and duties not settled promptly by the purchaser in terms of this clause 2 shall bear interest at South African Bankers prime lending rate plus 3 percent from the seventh day following the sale until settlement is received in full.

In the event that a purchaser does not effect collection within four months of the sale date, of any item purchased, Classic Arms reserves the right to charge a storage fee of ZAR 150-00 per calendar month or part thereof. Such fee being payable monthly in advance from the first day of the month within which the four month period shall expire. In the event that the purchaser fails in his obligation to Classic Arms to pay such fee, Classic Arms, may at its own discretion, resell such item to recover such fee.

4. We reserve the right to withdraw any property at any time prior to the actual sale of such property. Unless actually stated by the auctioneer, all lots shall be offered against their catalogued number and no lot shall be divided for sale.

5. We reserve the right to reject any bid. The highest bid acknowledged by the auctioneer shall be deemed to be the final bid price. In the event of any dispute between bidders or, if in the sole opinion of the auctioneer he doubts the validity of a bid, the auctioneer shall have the sole right to determine the successful bid or to re-offer the property in dispute for sale. Our sale records shall be conclusive in any dispute during or after conclusion of the sale.

6. If for any reason beyond our control, including but not limited to, fire, theft, acts of God, or insurrection, we are prevented from delivering the property to the purchaser, then we will be liable only for the sum actually paid therefore by the purchaser and shall in no event include payment for consequential or incidental damages.

Classic Arms accepts no liability for any losses of whatsoever nature caused by any legislative changes in regard to the possession, by individuals or bodies, of firearms or ammunition.

7. If a lot is offered subject to a reserve (this being the confidential minimum price required by the consignor) then Classic Arms reserves the right to open the bidding or to bid on the consignor's behalf in order to protect such reserve.

Classic Arms shall not bid on the consignor's behalf above such reserve. IN NO EVENT MAY

A CONSIGNOR BID ON ANY PROPERTY OFFERED FOR SALE BY SAID CONSIGNOR.

8. **All lots are sold “Voetstoets”**. ALL STATEMENTS CONTAINED IN THE CATALOG OR IN ANY SALE DOCUMENTATION AS TO THE AUTHENTICITY, VALIDITY, AUTHORSHIP, PERIOD CULTURE, SOURCE, PROVENANCE, RARITY, CONDITION, IMPORTANCE OR HISTORICAL VALUE, ARE STATEMENTS OF OPINION AND ARE NOT REPRESENTATIONS OR WARRANTIES. NOT WARRANTY IS GIVEN AS TO ACCURACY OF RIFLES OR CLARITY OF OPTICS.

9. **If we undertake packaging** or handling of any lots on the purchaser’s behalf it is done so entirely at the purchasers risk. We are not liable for any acts or omissions of carriers or packers including those recommended by us. Such carriers or packers may carry there own insurance and any claims for loss or damage should be addressed directly to them.

10. **These Conditions of Sale** and the respective rights of the purchaser and Classic Arms, are governed by the laws of South Africa. By bidding at an auction in person, or by agent, order-bid or telephone or other means, the buyer or bidder agrees to be bound by these *Conditions of Sale*. Any dispute controversy or claim arising out of or relating to this Agreement, or the breach, termination or validity thereof, brought by or against Classic Arms (but not including claims brought against the consignor by the purchaser of the lots consigned hereunder) shall be resolved by the parties in 10.

These *Conditions of Sale*, shall bind the successors and assigns of all bidders and purchasers and inure to the benefit of successors and assigns. No waiver amendment or modification of the terms hereof (other than posted notices or oral announcements during the sale) shall bind us unless specifically stated in writing signed by us.

11. **Absentee Bids**. As a service to those bidders that are unable to attend the actual auction, we may at our sole discretion accept bids in advance of sale by telephone, or in writing on the bidding forms provided in the back of the sale catalogue.

Please note that we cannot accept “buy” bids and all bids must clearly state the maximum (excluding buyers premium and any applicable taxes) bid that the bidder is willing to pay. In the event that identical absentee bids are received then the first bid received shall take. We accept no responsibility for not executing an absentee bid for any reason whatsoever.

12. **Estimate prices**. As a service to our clients, we furnish presale estimates for all lots. These estimates are intended as a guide to current market value and represent no warranty to bidder or seller as to the actual price. Bidding normally begins at 50% of the estimate but the final price may be more or less than the estimate value.

13. **Sale Increments**. The following increments apply to all lots bid for. Please note that the auctioneer will increment the purchase price at these rates and not at any rate bid from the floor. By bidding, a prospective purchaser acknowledges these increments.

0 - 500	R 50-00 increments
501 - 1999	R 100-00 increments
2,000-4,999	R 250-00 increments
5,000-9,999	R 500-00 increments
10,000-19,999	R 1,000-00 increments
20,000 >	R 2,500-00 increments
