- D127 9mmp BXP Hmc R 6500.00**  
 The Milkor BXP was the original design of Andries Piek. The full-auto variant was purchased by SAP, the Recces and by the security element at what was known as "Jan Smuts" airport. The Correctional services also purchased 600 of them. Production of the semi-auto variant later ended up with Truvelo. The HMC was offered with a number of different accessories such as suppressors, flash hiders etc. It has a bottom folding stock, 208mm barrel length and uses 22 & 32 round magazines. Some loss of original finish but good condition overall.
- D128 9mmp Cobra Hmc R 5500.00**  
 The Cobra was designed by Tommy Steele and Bruce White of Bulawayo and first announced to the press in April 1977. Production commenced with Stellye [Pvt.] Ltd. and was then taken over by Bulawayo manufacturing Co. with estimates of 2500 to 3000 arms produced. Carbine has a 254mm barrel, folding stock and utilizes a 25 round Uzi type magazine. Good original condition.
- D129 9mmp R76 Hmc R 5000.00**  
 The R76 was manufactured by Northwood Developments (Pvt.) Ltd of Salisbury. First prototype was released in 1976 and production commenced 1977. It was offered in both a selective fire variant and semi-auto only model. The R76 was described a "Complete weapons system" with a choice of four barrel lengths, thirteen, twenty or thirty round magazines, fixed or folding stocks and a flash hider, bayonet and bipod. This model has a 25 round magazine, telescoping stock, and 6,5" barrel. Good original condition.
- D130 9mmp FN Uzi Hmc R 7500.00**  
 Ex Rhodesian army variant with original FN numbers removed for sanctions busting purposes and later numbers added. Produced by Fabrique Nationale of Belgium. Barrel length of 260mm with wrap-around bolt, 25 round magazine capacity and under folding stock. Good original condition.

- D131 9mmp LDP Type 1 Hmc** **R 1950.00**  
 The LDP was designed in Rhodesia by Alex Du Plessis and built by Lacoste Engineering, a Salisbury based company. The firearm was also nicknamed the "Rhuzi" [Rhodesian Uzi] by members of the public. Production started in 1977 and it was the first Rhodesian designed & built firearm. Following this, Maxim Parabellum went on to build the firearm in South Africa where it was known as the Kommando. The Rhodesian built variant remained in production until 1980. The LDP has a barrel length of 230mm, fires from an open bolt, folding shoulder butt and has a twenty-five round Uzi type staggered magazine. Light carrying wear, fair to good condition.
- D132 9mmp Kommando Hmc** **R 1950.00**  
 The Kommando was originally designed in Rhodesia by Alex Du Plessis and built by Lacoste Engineering, a Salisbury based company as the LDP. Following this, Maxim Parabellum went on to build the firearm in South Africa where it was known as the Kommando. SAPS demanded that the design be changed so that it could not be converted to full-auto and an improved folding stock lock and magazine catch was fitted. The Kommando has a barrel length of 230mm, fires from an open wrap-around bolt, folding shoulder butt and has a twenty-five round Uzi type staggered magazine. Good plus original condition.
- D133 9mmp Sanna 77 Hmc** **R 1950.00**  
 The Sanna 77 was manufactured by Dan Pienaar Enterprises [Pty] Ltd. and introduced onto the SA market in September 1978. It began its development in Rhodesia in the late 1970's when the Rhodesian firm of GM Steel developed the GM15 & 16 SMGs which were very closely based on the Czechoslovakian Sa25[vz.48b]. The Kommando has a folding stock made of a synthetic material which is very prone to breaking, stock is absent from this gun. The gun fires from an open breech, has a 289mm barrel length and a wedge-shaped magazine of 40 rounds, includes two spare magazines. Good condition but for stock.
- D134 9mmp Sanna 77 Hmc** **R 1950.00**  
 The Sanna 77 was manufactured by Dan Pienaar Enterprises [Pty] Ltd. and introduced onto the SA market in September 1978. - D137 12ga Striker Combat Shotgun** **R 2250.00**  
 Designed & developed in Rhodesia in the late 1970's by Hilton Walker, the Striker solely as a combat shotgun. Manufacture was then undertaken by Aserma Manufacturing a division of Reutech Defence Industries in New Germany. It has a 12 round magazine capacity, wind-up clockwork type operating mechanism, top folding stock and 300mm barrel length. Very good condition.
- D138 12ga Protecta Combat Shotgun** **R 2250.00**  
 The Protecta evolved from the Striker as SAPS classified the Striker as a "semi-auto" as a result of its clockwork operating mechanism and effectively put a halt to private sales at the time. During the late 18980's this was changed to a twisting fore hand grip which then allowed to be classified as a manually operated firearm. An auto ejection housing was then also included. Barrel length of 300mm, 12 round magazine capacity, top-folding stock. Excellent condition.

#### Conditions of Sale

The following Terms and Conditions as amended by any postal notice or verbal announcement during the sale, constitutes the entire terms and conditions under which the property listed in this catalogue, is offered for sale by Classic Arms and any consignor for the said property that we act for.

- 1) As used herein, the "bid price" shall mean the price at which a lot is knocked down by the auctioneer, to a purchaser and the term "purchase price" shall mean the aggregate of:
  - a) The bid price,
  - b) **A PREMIUM PAYABLE BY THE PURCHASER OF 12,5% OF THE BID PRICE, + VAT at 15% thereon (i.e. a total premium of 14.375%)**
  - c) And where specifically stated by the auctioneer VAT at 15% of the bid price. It is recorded that the consignor has authorised Classic Arms to retain the premium payable on each lot as part of our remuneration and that the VAT payable on such premium is in addition to such premium.

2. On the fall of the Hammer the highest bidder will have been deemed to have purchased the lot being offered and to have:
- a) assumed full responsibility and liability for the ownership of that lot in accordance with the terms and conditions contained herein
  - b) to undertake to settle the aggregate purchase price within a maximum of seven calendar days from the date of sale.

In the case of all firearms it is specifically recorded that the purchaser is deemed to have assumed full liability for ownership and payment in accordance with the terms and conditions contained herein irrespective of the granting or not of a South African Police Services licence or permit for possession of the said lot.

All lots requiring licences shall be retained by Classic Arms pending proof of issuance of said licences

Should a licence for any lot, for any reason whatsoever, be declined, then the purchaser may require Classic Arms or a registered arms and ammunition dealer of the purchasers choice to resell such lot on the purchasers behalf. Such sale shall be conducted against

the prevailing terms and conditions of the chosen dealer at time of resale and, irrespective of the Auction purchase price, at the price determined in agreement with the auction purchaser and the dealer

It is specifically noted that Classic Arms may in no way be held liable for a shortfall if any, between the auction purchase price and the resale price.

Under no circumstances shall any lot requiring SAPS licensing be released to any person or body not duly authorised to be in legal possession of said lot, and unless all monies due have been settled in full and in accordance with the terms and conditions contained herein.

No lots shall be deemed to have been paid for until all monies due have been delivered in cash or in Bank Cleared funds.

All purchases may be paid for in cash, by Master Card or VISA, American Express or Diners Club International, or by cashiers. or Bank Guaranteed Cheque. **A further premium of 5% of the aggregate purchase price including VAT thereon will be levied for all Credit or Charge Card settlements.**

No cashier's cheque will be deemed to constitute payment until the effects thereof have been cleared into the Classic Arms Trust Account.

If the foregoing or any other conditions contained herein are not complied with by the purchaser, in addition to any other remedies available to us and the consignor by law, including but without limitation to, the right to hold the purchaser liable for the purchase price, then we at our sole discretion may:

- a) cancel the sale, retaining as liquidation costs any amounts paid by the purchaser,
- b) resell the property.

**3. All payments to be made within 7 days. Property sold at auction and not paid for in full or collected, within 4 (Four) elapsed Months from the date of the auction, shall be deemed to be abandoned UNLESS OTHERWISE NOTIFIED.**

The auctioneer reserves the right to dispose of the property in any manner he sees fit and recover reasonable administration and/or storage costs from the disposal of said property and/or the purchaser.

No subsequent claim arising from such a disposal shall be entertained and the auctioneer may not be held liable for any losses incurred by either the consignor or purchaser, or any other party, in this regard either publicly or privately and in such event to hold the purchaser liable for all costs including our commission and expenses for both sales, all other charges due hereunder, our attorneys fees and incidental charges.

All fees commissions, bid prices and duties not settled promptly by the purchaser in terms of this clause 2 shall bear interest at South African Bankers prime lending rate plus 3 percent from the seventh day following the sale until settlement is received in full.

In the event that a purchaser does not effect collection within four months of the sale date, of any item purchased, Classic Arms reserves the right to charge a storage fee of ZAR 150-00 per calendar month or part thereof. Such fee being payable monthly in advance from the first day of the month within which the four month period shall expire. In the event that the purchaser fails in his obligation to Classic Arms to pay such fee, Classic Arms, may at its own discretion, resell such item to recover such fee.

**4. We reserve the right to withdraw** any property at any time prior to the actual sale of such property. Unless actually stated by the auctioneer, all lots shall be offered against their catalogued number and no lot shall be divided for sale.

**5. We reserve the right to reject any bid.** The highest bid acknowledged by the auctioneer shall be deemed to be the final bid price. In the event of any dispute between bidders or, if in the sole opinion of the auctioneer he doubts the validity of a bid, the auctioneer shall have the sole right to determine the successful bid or to re-offer the property in dispute for sale. Our sale records shall be conclusive in any dispute during or after conclusion of the sale.

**6. If for any reason beyond our control**, including but not limited to, fire, theft, acts of God, or insurrection, we are prevented from delivering the property to the purchaser, then we will be liable only for the sum actually paid therefore by the purchaser and shall in no event include payment for consequential or incidental damages.

Classic Arms accepts no liability for any losses of whatsoever nature caused by any legislative changes in regard to the possession, by individuals or bodies, of firearms or ammunition.

**7. If a lot is offered subject to a reserve** (this being the confidential minimum price required by the consignor) then Classic Arms reserves the right to open the bidding or to bid on the consignor's behalf in order to protect such reserve.

Classic Arms shall not bid on the consignor's behalf above such reserve. IN NO EVENT MAY

A CONSIGNOR BID ON ANY PROPERTY OFFERED FOR SALE BY SAID CONSIGNOR.

**8. All lots are sold "Voetstoets".** ALL STATEMENTS CONTAINED IN THE CATALOG OR IN ANY SALE DOCUMENTATION AS TO THE AUTHENTICITY, VALIDITY, AUTHORSHIP, PERIOD CULTURE, SOURCE, PROVENANCE, RARITY, CONDITION, IMPORTANCE OR HISTORICAL VALUE, ARE STATEMENTS OF OPINION AND ARE NOT

REPRESENTATIONS OR WARRANTIES. NOT WARRANTY IS GIVEN AS TO ACCURACY

OF RIFLES OR CLARITY OF OPTICS.

**9. If we undertake packaging** or handling of any lots on the purchaser's behalf it is done so entirely at the purchasers risk. We are not liable for any acts or omissions of carriers or packers including those recommended by us. Such carriers or packers may carry there own insurance and any claims for loss or damage should be addressed directly to them.

**10. These Conditions of Sale** and the respective rights of the purchaser and Classic Arms, are governed by the laws of South Africa. By bidding at an auction in person, or by agent, order-bid or telephone or other means, the buyer or bidder agrees to be bound by these *Conditions of Sale*. Any dispute controversy or claim arising out of or relating to this Agreement, or the breach, termination or validity thereof, brought by or against Classic Arms (but not including claims brought against the consignor by the purchaser of the lots consigned hereunder) shall be resolved by the parties in 10.

These *Conditions of Sale*, shall bind the successors and assigns of all bidders and purchasers and inure to the benefit of successors and assigns. No waiver amendment or modification of the terms hereof (other than posted notices or oral announcements during the sale) shall bind us unless specifically stated in writing signed by us.

**11. Absentee Bids.** As a service to those bidders that are unable to attend the actual auction, we may at our sole discretion accept bids in advance of sale by telephone, or in writing on the bidding forms provided in the back of the sale catalogue.
