- F43 8x68S Steyr Mod NO Rifle R 28500.00**  
 On the Mannlicher action with rotary magazine. The 65cm (25 1/2") round tapered barrel has a good bore and a hooded ramp front sight, rear sight removed and a Pecar Variable 3-7x 35 scope fitted, rear leg offset to clear the bolt. Medium colour walnut stock with a small cheekpiece and some figure with wrap-around forearm chequering pattern and panels on the pistol grip sides. VGC.
- F44 6.5mm Mannlicher Mod 1956 Carbine R 22500.00**  
 With an 18" (458mm) barrel with a ramp front sight and a standing V rear sight with one folding blade. Action with super-smooth bolt, butter knife bolt handle and rotary magazine. A Daivari-D 1.5-6x scope fitted with the rear leg offset to clear the bolt. Double set triggers. The stock of lighter walnut but with lots of barring and figure, with a Monte Carlo cheekpiece and white line spacers to the pistol grip and polymer butt plate. Flat top chequering to 18LPI on the forearm and pistol grip sides. The last of the classic Mannlicher"s rifles which were still constructed solely of wood and steel, before the onset of plastics. VG+ condition.
- F45 .375H&H Steyr Mod S Rifle R 14000.00**  
 Modern version of the Mannlicher, retaining the rotary magazine and butter knife bolt handle. A 64cm (25 1/4") heavy round barrel with ramp front sight and single standing rear V sight. A Tasco 4x32 scope is fitted. The walnut stock with rosewood tip, skip line chequering and elevated cheekpiece, has a repaired crack through the LHS side of the action rear, otherwise in good working order.
- F46 .270win Steyr Mod M Rifle R 13500.00**  
 Modern Mannlicher action, retaining the iconic bolt handle and modernised rotary magazine. The 23 1/2" (597mm) round tapered barrel has a ramped front sight and a single standing V rear sight. The bore is good. A Redfield 2x-7x scope is fitted. The stock of straight grained walnut shows skip line chequering to forearm and pistol grip, allied to white line spacers at rosewood fore-tip and pistol grip cap as well as to ventilated butt recoil pad makes it ideal for the American market. VGC

- F47 9.5x57 Steyr Mod 1910 Take-Down Rifle R 13500.00**  
 A 60cm (23 5/8") round tapered barrel with a good bore and a ramped front sight allied to a single folding rear sight blade. The action is beautiful and the ingenious folding peep sight a joy. The knobbed pin with a detente at the front of the forearm is part of a quick disassembly process, remove it, then turning the magazine through 1/4 turn and removing it allows the stock and barrel to separate. Good colour walnut, albeit straight-grained, with flat-top chequering to pistol grip sides and a wrap-around forearm pattern completes the gun. The butt pad needs replacement. VVGC.
- F48 .22 Hornet Brno ZKW465 Rifle R 6500.00**  
 A nicely styled rifle, the slim round tapered 22 1/2" (572mm) barrel has a good bore. Fitted with a ramped blade front sight and a standing V rear with a folding leaf sight on either side. The little "Mini-Mausser" action is great and is grooved for a scope. The 5 shot magazine has a Q-D catch on the trigger guard. The darkish stock could do with a pick-me-up. Proofed 1949. Good to good plus condition.
- F49 .22 Hornet Winchester M43 Rifle R 5500.00**  
 The round tapered barrel with ramped bead front sight and adjustable rear sight, 24 1/2" (622mm) long with a good bore. Bolt action with a 5 shot box magazine. The stock of good medium coloured walnut, straight-grained. VVGC.
- F50 .22 Hornet BSA Rifle R 3000.00**  
 Built on the SMLE action. The 64cm (25 1/4") round tapered barrel has a fairly good bore. Fitted with a ramp front sight and a tangent rear sight. Flat-top chequering to 12LPI. Good working condition.
- F51 .22 Hornet Brno ZKW 465 Rifle R 4500.00**  
 A 22 1/2" (572mm) round tapered barrel with ramped front sight and standing V rear sight with two folding leaves. The 465 action grooved for scope mounts, lovely mini-Mausser action. The stock mainly straight grained but with some figure, flat-top chequering to forearm and pistol grip panels, black polymer butt plate. Proofed 1949. VVGC.

Gun proofed 1975. VVGC.

- F56 .270win Browning Bar Semi-Auto Rifle R 9500.00**  
 The 22" (558mm) round tapered barrel has a good bore and is fitted with a folding rear V sight and a ramped front sight. A Weaver 3x-9x scope is fitted. Action sides show a pronghorn on one side and a stag on the other, both lightly engraved. The walnut stock is of good colour and sports some 22LPI chequering. The forearm ditto, but it has a repaired crack to the top LHS at the back and an incipient crack at the left front of the magazine. Otherwise in good working order.
- F57 .270win Schultz & Larsen M60 Rifle R 9500.00**  
 Rebarrelled by Musgrave, a 60cm (23 5/8") round slim tapered barrel has an excellent bore. The S & L action, is surmounted by a Redfield Accu-Ranger, Revenge, Varmint, 4x-12x scope. The walnut stock with reasonable colour and some figure. VVGC.
- F58 7x57 Mauser Rifle By V.C.R. Schilling R 7500.00**  
 An octagonal tapered tube of 70cm (27 1/2") length with a good bore is surmounted by a ramped front sight and a tangent rear sight. The "98 action supports a Bushnell 3x-9x The well-coloured walnut stock with barring, figure and contrasting colour has a semi-pistol grip and has 22LPI chequering to this. The fore arm is plain. VGC.
- F59 7x57 Ruger No. 1 Falling-Block Rifle R 16500.00**  
 The 22" (558mm) round tapered barrel has a big front sight ramp, the rear iron sight folded down to give space to the massive Leupold scope. The bore is very good. The walnut stock and forearm are chequered to 22LPI in panels on the sides of the pistol grip and forearm, the colour is good but an elastic cartridge holder band obscures most of the wood. Previous owner must have been left-handed as the cartridge pouches are on the LHS of the stock.
- F60 7mm rem Ruger No.1 Falling-Block Rifle R 16500.00**  
 The 26" (660mm) round tapered barrel has a good bore and a very high front sight ramp. The adjustable single blade rear sight is atop a quarter ramp which is tapped and threaded for mounting scope bases. The walnut stock of good colour and demonstrating some barring and figure. Overall VVGC.
- F61 .270win Remington Arms Mod 700 Rifle R 9500.00**  
 A 25 1/4"(640mm) round tapered barrel with a good bore and a hooded ramped front sight, rear sight removed. A Redfield Illuminator 3x-9x scope sits atop the action. The walnut stock of plain straight-grained wood, shows skip line chequering to panels at the pistol grip and forearm. A contrasting darker wood is used for the forearm tip and the skeletonised grip cap which has ordinary 22LPI chequering inside it. The inevitable white line spacers are present, also to the butt pad which is showing its age. Good plus condition.
- F62 .270win Musgrave Mod 80 Rifle R 11500.00**  
 Scoped with Tasco 3-12 x40 scope, rear sight removed to make provision for rifle scope, ramp fore sight to barrel. Rifle has a light walnut stock with two panel chequering to both fore end and grip. Grip has a Musgrave grip cap to it and butt has a Musgrave ventilated recoil pad fitted. Very good bore, high percentage original blueing, stock displays some very light scratches to finish.
- F63 .308win Musgrave Vrystaat Mk III Rifle R 9500.00**  
 The 65cm (25 5/8") round tapered barrel has an excellent bore and mounts a ramp front sight and an adjustable rear V sight. The action supports a Lynx 3x-9x scope. The walnut stock is of darker walnut but with some good figure. The lighter wood contrasting pistol grip cap and forearm tip. The skip line chequering patterns are evocative of arrows and also somewhat strange. VVGC.

- F64 .30-06spr Musgrave Mod 2000 Rifle** **R 11500.00**  
 The 25 1/2" (650mm) round tapered barrel has a good bore and sports a ramped front sight and a standing V rear sight with a single folding blade. A Tasco 4x40 scope surmounts the action which shows on its LHS "Lyttleton". The walnut stock with peculiar mottling has slightly contrasting forearm tip and pistol grip cap. The chequering is good 22LPI work with a large wrap-around pattern on the forearm and well shaped panels to the pistol grip sides. There is a slight Monte Carlo bump added to a cheekpiece. One of Musgrave's more sought after actions. VGC.
- F65 .30-06spr Ferlach Custom M98 Rifle** **R 16500.00**  
 Built on a DWM 98 action which has a tang mounted safety. The 24" (610mm) round barrel has a good bore and is fitted with a removable hood on the ramped front sight and a standing V sight with a folding blade on either side. Over this is a large Zeiss Daivari -Z 2.5 - 10x52 scope. Double set triggers are fitted and the forearm metallic tip, the triggers and floorplate opening lever as well as the bolt retention lug, the safety catch, grip cap and spare ammo holder in the heel of the stock are all gold plated. The stock is of pleasingly dark and figured walnut, skip line chequered and fitted with a large cheekpiece. VVGC.
- F66 8x68 Waffen Leuthner Custom Rifle** **R 24500.00**  
 Custom built rifle by Waffen Leuthner of Salzburg utilising a Boehler barrel and M98 Mauser double trigger action. The 24" (610mm) round tapered barrel has a swivelling hood over the front sight and a standing V sight with one folding blade for 350yds. The bore is excellent. A fixed magazine floorplate. Stock has a single cross-bolt under the breech, straight-grained walnut with colour and figure, butt extended by 1" to a Silvers pad, making the LOP 14 7/8" (379mm), chequering to 22LPI to panels on pistol grip sides and a wrap-around forearm pattern. VVGC
- F79 .450 No 2 Westley Richards Falling Block Rifle** **R 55000.00**  
 The action patented by Deeley and Edge while employed by Westley Richards, and while similar externally to the Farquharson, differs markedly internally. Again a very strong action with the block moving vertically with buttresses on each side in the rear. The 28" (712mm) round tapered medium weight barrel has a very good bore, it is marked "**Westley Richards & Co. London.**", the knox form with a triangle. The left hand side of the action with "**Westley Richards & Co. London.**" under another triangle. The underlever gracefully curved and with a retaining catch, the trigger safety along the top of the trigger guard. The front sight a low mounted bead and the rear sight a standing V with 4 folding blades out to 400yds and a ladder to 1200yds. The stock of good coloured walnut and chequered to 22 LPI, to both sides of the pistol grip, whose cap is a black ebonite disc. The forearm's chequering pattern a wrap-around over most of the wood with a horn cap to the front. VGC.

- F125 .410 Lepco Shotgun- Pre 1898 - Cased** **R 2150.00**  
 A "poacher's special", folding double barrelled .410. The hammer action plain case-hardened with a simple etched border. The skeleton stock with an incipient crack through the hand which should be repaired. The 27 3/4" (710mm) barrels are both choked full, bores are surprisingly very good. In a rough wood and canvas case with a pull-through cleaner which is quite effective. Good working condition.

- F126 20ga A. Illsley & Co S/S Shotgun** **R 22500.00**  
 The 28" (712mm) tubes have very good bores and are choked improved cylinder on the right and a tight 3/4 on the left. The box lock action is proofed for 7/8oz (24g) 2 1/2" (65mm) cartridges, and has light scroll engraving, also showing the maker's name and city - "**Birmingham**". The stock has medium coloured walnut with some darker figure, 20LPI chequering to the hand sides and the forearm which has a Deeley catch. A typical example of a light British 20ga - weight 5.73lbs (2.6kg). LOP to front trigger 13 7/8" (353mm). VGC.

- F129 12ga Purdey S/S Hammer Shotgun** **R 55000.00**  
 The 30" (762mm) Damascus barrels are unchoked and are black powder proofed, they are stamped "**12**" indicating true .729" bores, which are excellent. The back action hammers are rebounding and action, locks, trigger plate etc profusely scroll engraved. The stock of very pretty walnut has been lengthened to a LOP of 14 1/2" (368mm) to the front trigger, weight is a fraction over 6 3/4lbs (3.07kg). The gun locks up tight and begs to be used again. Date of manufacture 1871. Good plus condition.
- F130 12ga Gye & Moncrieff S/S Hammer Shotgun** **R 19500.00**  
 With 30" (762mm) steel barrels, both choked 3/4, and excellent. Nitro proofed at .724" dia and 2 1/2" cartridges. The 11mm wide matted rib is tapered and swamped towards the muzzles, The back action rebounding hammer locks are engraved "**Constructed by Messrs Gye and Moncrieff, London**" and surrounded by much scrollwork. The stock of, obviously, French walnut reminds us of its striking contrast between black and brown figuring and this example is exquisite. LOP to a thick ebonite butt plate is 13 7/8" (354mm) to the front trigger. Gun weighs 7lbs (3.2kg). VVGC.
- F131 12ga Watson Bros S/S Shotgun** **R 9500.00**  
 And are still in business in London today. The striking Damascus barrels are 30" (762mm) long and have very good bores, both are 3/4 choked. The snap underlever action has bar action sidelocks, all much covered with the period fine scrollwork. Cocking indicators are fitted to the top tang and the prominent safety catch is non-automatic. The forearm stopped just short of a wrap-around pattern, the flat-top chequering to it and the hand of the stock running to 22LPI. The stock of good French walnut with good colour, figure and barring. VGC.

#### Conditions of Sale

The following Terms and Conditions as amended by any postal notice or verbal announcement during the sale, constitutes the entire terms and conditions under which the property listed in this catalogue, is offered for sale by Classic Arms and any consignor for the said property that we act for.

- 1) As used herein, the "bid price" shall mean the price at which a lot is knocked down by the auctioneer, to a purchaser and the term "purchase price" shall mean the aggregate of:
  - a) The bid price,
  - b) **A PREMIUM PAYABLE BY THE PURCHASER OF 12,5% OF THE BID PRICE, + VAT at 15% thereon (i.e. a total premium of 14.375%)**
  - c) And where specifically stated by the auctioneer VAT at 15% of the bid price. It is recorded that the consignor has authorised Classic Arms to retain the premium payable on each lot as part of our remuneration and that the VAT payable on such premium is in addition to such premium.

2. On the fall of the Hammer the highest bidder will have been deemed to have purchased the lot being offered and to have:
- a) assumed full responsibility and liability for the ownership of that lot in accordance with the terms and conditions contained herein
  - b) to undertake to settle the aggregate purchase price within a maximum of seven calendar days from the date of sale.

In the case of all firearms it is specifically recorded that the purchaser is deemed to have assumed full liability for ownership and payment in accordance with the terms and conditions contained herein irrespective of the granting or not of a South African Police Services licence or permit for possession of the said lot. All lots requiring licences shall be retained by Classic Arms pending proof of issuance of said licences

Should a licence for any lot, for any reason whatsoever, be declined, then the purchaser may require Classic Arms or a registered arms and ammunition dealer of the purchasers choice to resell such lot on the purchasers behalf. Such sale shall be conducted against

the prevailing terms and conditions of the chosen dealer at time of resale and, irrespective of the Auction purchase price, at the price determined in agreement with the auction purchaser and the dealer

It is specifically noted that Classic Arms may in no way be held liable for a shortfall if any, between the auction purchase price and the resale price. Under no circumstances shall any lot requiring SAPS licensing be released to any person or body not duly authorised to be in legal possession of said lot, and unless all monies due have been settled in full and in accordance with the terms and conditions contained herein. No lots shall be deemed to have been paid for until all monies due have been delivered in cash or in Bank Cleared funds.

All purchases may be paid for in cash, by Master Card or VISA, American Express or Diners Club International, or by cashiers. or Bank Guaranteed Cheque. **A further premium of 5% of the aggregate purchase price including VAT thereon will be levied for all Credit or Charge Card settlements.**

No cashier's cheque will be deemed to constitute payment until the effects thereof have been cleared into the Classic Arms Trust Account. If the foregoing or any other conditions contained herein are not complied with by the purchaser, in addition to any other remedies available to us and the consignor by law, including but without limitation to, the right to hold the purchaser liable for the purchase price, then we at our sole discretion may:

- a) cancel the sale, retaining as liquidation costs any amounts paid by the purchaser,
- b) resell the property.

**3. All payments to be made within 7 days. Property sold at auction and not paid for in full or collected, within 4 (Four) elapsed Months from the date of the auction, shall be deemed to be abandoned UNLESS OTHERWISE NOTIFIED.**

The auctioneer reserves the right to dispose of the property in any manner he sees fit and recover reasonable administration and/or storage costs from the disposal of said property and/or the purchaser.

No subsequent claim arising from such a disposal shall be entertained and the auctioneer may not be held liable for any losses incurred by either the consignor or purchaser, or any other party, in this regard either publicly or privately and in such event to hold the purchaser liable for all costs including our commission and expenses for both sales, all other charges due hereunder, our attorneys fees and incidental charges.

All fees commissions, bid prices and duties not settled promptly by the purchaser in terms of this clause 2 shall bear interest at South African Bankers prime lending rate plus 3 percent from the seventh day following the sale until settlement is received in full.

In the event that a purchaser does not effect collection within four months of the sale date, of any item purchased, Classic Arms reserves the right to charge a storage fee of ZAR 150-00 per calendar month or part thereof. Such fee being payable monthly in advance from the first day of the month within which the four month period shall expire. In the event that the purchaser fails in his obligation to Classic Arms to pay such fee, Classic Arms, may at its own discretion, resell such item to recover such fee.

**4. We reserve the right to withdraw** any property at any time prior to the actual sale of such property. Unless actually stated by the auctioneer, all lots shall be offered against their catalogued number and no lot shall be divided for sale.

**5. We reserve the right to reject any bid.** The highest bid acknowledged by the auctioneer shall be deemed to be the final bid price. In the event of any dispute between bidders or, if in the sole opinion of the auctioneer he doubts the validity of a bid, the auctioneer shall have the sole right to determine the successful bid or to re-offer the property in dispute for sale. Our sale records shall be conclusive in any dispute during or after conclusion of the sale.

6. **If for any reason beyond our control**, including but not limited to, fire, theft, acts of God, or insurrection, we are prevented from delivering the property to the purchaser, then we will be liable only for the sum actually paid therefore by the purchaser and shall in no event include payment for consequential or incidental damages.

Classic Arms accepts no liability for any losses of whatsoever nature caused by any legislative changes in regard to the possession, by individuals or bodies, of firearms or ammunition.

7. **If a lot is offered subject to a reserve** (this being the confidential minimum price required by the consignor) then Classic Arms reserves the right to open the bidding or to bid on the consignor's behalf in order to protect such reserve.

Classic Arms shall not bid on the consignor's behalf above such reserve. IN NO EVENT MAY

A CONSIGNOR BID ON ANY PROPERTY OFFERED FOR SALE BY SAID CONSIGNOR.

8. **All lots are sold "Voetstoets"**. ALL STATEMENTS CONTAINED IN THE CATALOG OR IN ANY SALE DOCUMENTATION AS TO THE AUTHENTICITY, VALIDITY, AUTHORSHIP, PERIOD CULTURE, SOURCE, PROVENANCE, RARITY, CONDITION, IMPORTANCE OR HISTORICAL VALUE, ARE STATEMENTS OF OPINION AND ARE NOT

REPRESENTATIONS OR WARRANTIES. NOT WARRANTY IS GIVEN AS TO ACCURACY OF RIFLES OR CLARITY OF OPTICS.

9. **If we undertake packaging** or handling of any lots on the purchaser's behalf it is done so entirely at the purchaser's risk. We are not liable for any acts or omissions of carriers or packers including those recommended by us. Such carriers or packers may carry their own insurance and any claims for loss or damage should be addressed directly to them.

10. **These Conditions of Sale** and the respective rights of the purchaser and Classic Arms, are governed by the laws of South Africa. By bidding at an auction in person, or by agent, order-bid or telephone or other means, the buyer or bidder agrees to be bound by these *Conditions of Sale*. Any dispute, controversy or claim arising out of or relating to this Agreement, or the breach, termination or validity thereof, brought by or against Classic Arms (but not including claims brought against the consignor by the purchaser of the lots consigned hereunder) shall be resolved by the parties in 10.

These *Conditions of Sale*, shall bind the successors and assigns of all bidders and purchasers and inure to the benefit of successors and assigns. No waiver, amendment or modification of the terms hereof (other than posted notices or oral announcements during the sale) shall bind us unless specifically stated in writing signed by us.

11. **Absentee Bids**. As a service to those bidders that are unable to attend the actual auction, we may at our sole discretion accept bids in advance of sale by telephone, or in writing on the bidding forms provided in the back of the sale catalogue.

Please note that we cannot accept "buy" bids and all bids must clearly state the maximum (excluding buyer's premium and any applicable taxes) bid that the bidder is willing to pay. In the event that identical absentee bids are received then the first bid received shall take. We accept no responsibility for not executing an absentee bid for any reason whatsoever.

12. **Estimate prices**. As a service to our clients, we furnish presale estimates for all lots. These estimates are intended as a guide to current market value and represent no warranty to bidder or seller as to the actual price. Bidding normally begins at 50% of the estimate but the final price may be more or less than the estimate value.

13. **Sale Increments**. The following increments apply to all lots bid for. Please note that the auctioneer will increment the purchase price at these rates and not at any rate bid from the floor. By bidding, a prospective purchaser acknowledges these increments.
