<b>F41</b>	<b>.30-06spr FN Mauser Service Rifle</b>	<b>R 3500.00</b>
	LHS of action shows 'Fab. Nat. D'Armes de Guerre, Herstal Belgique' as the maker. Reasonably good condition overall.	
<b>F42</b>	<b>.577/.450 Westley Richards 'ZAR' Rifle</b>	<b>R 6500.00</b>
	Action stamped 'Made Specially for ZAR' on right side, on left 'Westley Richards & Co.'. A good bore to the 33.5" (850mm) round barrel with plain blade front sight and ladder rear. Butt shows a couple of small cracks by the butt plate, otherwise wood is in good condition.	
<b>F43</b>	<b>.577/.450 Martini Henry Rifle By BSA</b>	<b>R 3750.00</b>
	On the barrel, engraved 'Birmingham Small Arms & Metal Co. Ltd, England'. The standard 33.5"(850mm) barrel shows some slight pitting. Metalwork has been polished overall and the wood refinished.	
<b>F44</b>	<b>.577/.450 Westley Richards 'ZAR' Martini Rifle</b>	<b>R 6500.00</b>
	Another 'Made Specially for the ZAR' by Westley Richards. Barrel with a good bore. Woodwork has been refinished.	

- F45 .577/.450 Martini Henry Rifle R 2950.00**  
Both the action and barrel display pitting, the wood dull and somewhat stained. The bore shows pitting. Poor to fair overall condition.
- F46 .577/.450 Martini Henry 1878 'Zulu War' Rifle R 7500.00**  
By Enfield in 1878, stock standard model, reasonable bore. Metal and wood both in fairly good condition. Unusual in retaining its ramrod, most of the genre have long since lost theirs.
- F47 .577/.450 Martini Henry 1877 'Zulu War' Rifle R 7500.00**  
Gun has been 'sporterized' by lopping off the forearm beyond the first barrel band. Bore is reasonable and the wood ditto.
- F48 .577/.450 Morton Martini Sporting Rifle R 2950.00**  
Gun has been completely restored, reblued and refinished. The 22" (559mm) round, slightly tapered barrel has a very good bore and is equipped with a plain blade front sight and a mini standing V combined with a ladder rear sight. The left side of the action shows 'W. Morton' with a London address, now obscured by refinishing, with crossed flags surmounting an 'E', 11293 and Martini's Patent. Notable is the addition of a saddle ring running on a slide. A safety catch on the RHS of the action. The wood well restored, forearm with a wrap-around chequering pattern of semi-flat-top style. Hand with a complete wrap-around pattern of more pointed diamonds, excellently executed. VVGC.
- F49 .577/.450 Martini-Henry Rifle By Westley Richards R 4950.00**  
Standard military configuration with full-stock to 33,5" barrel. 'Westley Richards London' to receiver, with Westley Richards trade mark to both receiver and Knox form. Good to good plus condition.
- F50 .450 Westley Richards 'Monkeytail' Carbine R 4750.00**  
Capping breech loader with 25" barrel and fore end which has been shortened. Lock marked 'Westley Richards & Co.1880'. Fair to good overall condition.
- F51 .577 Snider Mk I Two Band Short Rifle R 2750.00**  
The 25 3/4" (650mm) round slightly tapered barrel has a reasonably good bore. Front sight is missing, rear is usual standing V with ladder combination. Action is tight but all metal work has shed its finish. The lock shows 'J. S. F. Botha Cape Town'. Good working condition.
- F52 .577 Snider Mk III Short Rifle R 2750.00**  
Gun has been refinished. With a 22 1/2" (572mm) round slightly tapered barrel, bore is reasonably good. Front blade sight and rear standing V combined with a ladder. Action works well and half-cock position holds the hammer back securely. The lock shows 'VR under a crown' and '1858 Tower'. Stock good, ramrod is present. VGC.
- F53 .577 Snider Mk I Cavalry Carbine R 2750.00**  
With the typically cut-down forearm. The 21 3/4" (554mm) barrel has a good bore, with the usual small blade front sight and combined V and ladder rear sight. Action is tight but metalwork shows a complete loss of finish. The lock shows 'VR under a crown' and '1870 Enfield'. The stock plain and in good condition.
- F54 .577 Snider Sporting Rifle R 2750.00**  
Unusual sporter with a heavy 26 3/8" (670mm) octagonal barrel with a substantial under rib. The front sight a simple blade and the rear a standing V with two folding blades and a ladder out to 1200 yards. Barrel flat marked to 'M. J. Maullin, Queenstown'. Action is hard to open and half-cock safety still working, there is some good engraving, but all the metalwork shows an almost total loss of finish. The stock with short forearm is flat-top chequered at the hand, Trigger guard is fancy. Ramrod missing.
- F55 .577 Snider Carbine R 2500.00**  
Mk111 action, lock marked 'Crown 1870 Enfield'. Barrel length of 19,5". Profuse military markings to barrel/action. Rear sight missing, some light pitting to barrel. Fair to good overall.

- F56 8mm Steyr-Gueddes Mod 1885 Rifle R 5500.00**  
 "Sporterized" as was typical of the Boer rifles by truncating the forearm just ahead of the first barrel band. The 32"(813mm) barrel with a plain blade front sight and a ladder rear sight, bore is good. Left side of action stamped with 'M1885 Steyr 1886' in a ring around 'CE. W.G'. The Portuguese army ordered the rifle, never took delivery and the bulk of them ended up in the hands of the Boer forces. Good overall.
- F57 .300Sher BSA Sporting Rifle R 2450.00**  
 Bolt action with a fixed box magazine. Barrel stamped with the BSA etc and 'cartridge .300 extra long' which is the Sherwood. The 25"(650mm) barrel with a blade front sight and ladder rear has a reasonable bore. Good original overall.
- F58 300Sher BSA Martini Take-Down Rifle R 2950.00**  
 On the Francotte action. The 25"(635mm) round tapered barrel with a blade front sight and a small ladder rear, bore is fairly good. Good to good plus condition.
- F59 .300Sher Take-Down Martini Rifle By Francotte R 2450.00**  
 By Francotte of Belgium. The bore of the 26" (660mm) barrel is good. A blade front sight and a standing V rear with one folding blade. The wood could benefit from a face-lift. Good condition.
- F60 .297/.230 Francotte Martini Rifle R 1950.00**  
 A 'cadet' rifle by Francotte with a 70cm (27.5") round barrel with a blade front sight and combined standing V and ladder rear sight, The rifling in the bore is worn. Much loss of metal finish overall. The stock relatively good.
- F61 7.62mm AK47 Hungarian Rifle R 17500.00**  
 Milled steel receiver, wooden stock & fore end. 'AK47' marking to receiver, synthetic handgrip. No markings to rifle but selector switch markings are typical of the Hungarian variant. Semi-auto only. Very good condition.
- F62 7.62m FN Para-Fal Rifle R 25000.00**  
 As used by RSA paratroopers and other special service units. Rifle is a type 1 FN with milled sides and horizontal take down lever. It has a barrel which measures 19" with flash hider and a standard type gas plug without the rifle grenade launching elevation leaf/graduations to it. Matching numbers to upper & lower receivers, two leaf folding rear sight. Excellent refurbished condition.
- F63 .223rem Vektor LM5 Rifle R 23500.00**  
 Shorter Vektor produced variant of the LM4 rifle with 14" barrel and no provision for mounting a bipod. Designed for use with armoured crews and other troops who did not need a full-size rifle. Includes folding night sight and standard 35rd. magazine. Rifle is in mint condition and could well be unfired.
- F64 7.62mm S.A. Pattern G3 Rifle R 9500.00**  
 The SADF purchased / acquired relatively large stocks of the Portuguese built G3 rifles but discovered that the standard issue stocks were unsuitable for prolonged use in the hot African climates. They developed a locally made stock which was on very similar lines to the R1/FN and started a stock replacement program. This rifle is equipped with one of these stocks and is in very good refinished condition. Complete with scarce 30rd. magazine.
- F65 9mp Beretta Mod 1938 A Carbine R 25000.00**  
 A 32cm (12 5/8") barrel with ventilated cover and a recoil suppressor at the muzzle. Bore is good. Ejects empty cases on the left which is unusual. This is a first generation SMG and is manufactured to the very highest commercial standards, unlike later SMG's. Very good condition.
- F66 7.62x39mm SKS Service Rifle R 6500.00**  
 Also with a 22.5cm (8.75") cruciform folding bayonet. The 52cm (20.5") barrel has a good bore and a hooded front sight allied to a tangent rear sight. Wood in good shape. Overall excellent condition.
- F67 7.62mm Ex Rhodesian FN-FAL Rifle R 12500.00**  
 Still with its all-over camo paint job. With R1 style flash suppressor/recoil reducer at the muzzle. Fair condition.

<b>F68</b>	<b>7.62mm FN-Fal Tactical Rifle</b> With a modern polymer fore arm sporting a picatinny rail. Swivelling front carry belt attachment. Folding bipod added and a Leupold scope mount with a Lynx 3-9x42 scope attached. Good condition.	<b>R 14500.00</b>
<b>F69</b>	<b>.30M1 Carbine</b> Manufactured by STD.PROD. Standard peep sight. Includes issue webbing sling and oil bottle. Fifteen round magazine.	<b>R 12500.00</b>
<b>F70</b>	<b>7.62mm Hungarian AKM Rifle</b> Ex. Rhodesian war liberation army issue. Typical stamped steel construction of the AKM. Stock shows considerable "character" as would be expected of a bush war veteran. Semi-auto only. Good bore.	<b>R 19500.00</b>
<b>F71</b>	<b>.223 Vektor CR21 Rifle</b> S A designed & manufactured Bullpup variant of the R4/LM4 rifle. The rifle showed considerable promise, but was never adopted because SA was scaling down it's military spending. All polymer exterior, 35 round magazine. Appears to be unused and unfired. Condition 'as new'.	<b>R 27500.00</b>
<b>F72</b>	<b>7.62mm SADF R1 Rifle</b> Built on type 1 action with milled receiver sides and vertical take down lever. SADF standard issue rifle with receiver marked ' <b>R1 7,62mm U within M</b> '. Matching number to upper and lower receivers. SADF ownership stamp to lower receiver as well. Good refinished condition.	<b>R 14500.00</b>
<b>F73</b>	<b>7.62mm FN-Fal Type 2 Rifle</b> Type 2 action has a protruding 'teardrop' to the milled sides. This was designed for sustained auto fire on the Heavy Barrelled FN and this model is seldom encountered in SA. Horizontal takedown lever. Rifle has later pattern barrel with provision for bipod mounting as used on the STG58 as well as later pattern handguards with provision for bipod use. Synthetic stock & fore end. Rifle has a fairly good mix of Rhodesian applied camo paint to all parts including magazine and also has Rhodesian fitted metal cocking lever rather than synthetic one. Fairly good bore, good overall condition.	<b>R 14500.00</b>
<b>F74</b>	<b>7.62mm FN-Fal Type 3 Rifle</b> No milling done to the upper receiver sides. Reputedly done for better accuracy, there are those who believe it was done simply to reduce costs. Horizontal take down lever. Rifle has later pattern barrel with provision for bipod mounting as used on the STG58 as well as later pattern handguards with provision for bipod use. Synthetic stock & fore-end. Good overall condition. Relatively good barrel.	<b>R 14500.00</b>
<b>F75</b>	<b>.30-06 M1 Garand Service Rifle</b> Manufactured by Springfield Armoury, serial number indicates December 1944 manufacture. Good bore. Good to good plus condition.	<b>R 14000.00</b>
<b>F76</b>	<b>7.5mm Fusil M24/29 French Issue LMG</b> Rhodesian bush war veteran which was part of a batch of firearms donated by Col Gadhafi of Libya to one of the Rhodesian "Liberation' armies. Rear sight missing, rest of firearm in reasonably good condition. Firearm marked ' <b>Mle Model 1924 M29</b> '.	<b>R 7500.00</b>
<b>F77</b>	<b>.22lr BSA Martini Target Rifle</b> BSA adjustable dioptre target rear sight and tunnel fore sight fitted to medium profile 25" barrel. Fore end of 12" has brass trap with spare fore sight elements and two panel chequering. Rifle is fitted with a steel cartridge holder to RHS of receiver, good bore. Typical of the rifles used for cadet training. Fairly good overall condition.	<b>R 2500.00</b>
<b>F78</b>	<b>.22lr Vickers Target Rifle</b> With a Francotte mini-martini action let directly into the barrel for a very accurate weapon. Bore of the 24.25" (615mm) barrel is very good. Muzzle has been threaded for a sound moderator. A picatinny rail is fitted for the sights system. Wood is clean and smooth. Excellent condition.	<b>R 2500.00</b>
<b>F79</b>	<b>.22lr Mauser Mn410b Sporting Rifle</b> A long-time favourite. Manufactured 1934. Usual 60cm (23 5/8") round tapered barrel with a ramped front sight blade and a rear tangent sight. Bore is very good. A 5 round magazine. Excellent refinished condition.	<b>R 3750.00</b>

<b>F80</b>	<b>.22lr Mauser Mn410b Sporting Rifle</b> Another, also in relatively good original condition. Manufactured 1934.	<b>R 3950.00</b>
<b>F81</b>	<b>.22lr Mauser Mn410b Sporting Rifle</b> And another, also in good shape, cartouche showing on RHS of the butt. Very good original condition. Very low serial number would indicate 1933 production.	<b>R 5500.00</b>
<b>F82</b>	<b>No Item</b>	
<b>F83</b>	<b>.22lr FN-Browning Semi Auto Take-Down Rifle</b> Take down rifle with 19" barrel, good bore, and replacement light coloured wooden butt and fore end. Some light wear to finish on metal work especially the action, Mechanically sound.	<b>R 2250.00</b>
<b>F84</b>	<b>.22lr Winchester Mod 62A Slide-Action Rifle</b> A 23" (585mm) barrel with a plain front blade and adjustable rear V sight. The bore is reasonably good. The stock shows remarkable barring for a bit of American walnut on an economical gun. Known for digesting any .22rf ammunition with ease.	<b>R 2500.00</b>
<b>F85</b>	<b>.22wrf Winchester Mod 1903 S/A Rifle</b> A 20" round tapered barrel with fixed iron sights. Tubular magazine in the butt. Will only chamber the .22 Winchester Rimfire cartridges, though these are once again available in the USA. Stock has a split at the neck. Manufactured 1917.	<b>R 1850.00</b>
<b>F86</b>	<b>.22lr Winchester M69A Bolt-Action Rifle</b> Bolt action sporting rifle with 10 shot magazine, 25" (635mm) barrel and open sights. Original finish to metal work which is in good plus condition. Plain walnut hard wood stock. Overall good plus condition.	<b>R 2750.00</b>
<b>F87</b>	<b>No Item</b>	
<b>F88</b>	<b>.22lr Brno CZ511 S/A Rifle - Silenced</b> Action can be used as a bolt action or a semi-auto. The 23" (585mm) barrel threaded and fitted with an 8" sound moderator. - F106 .30-06 Musgrave Deluxe M98 Sporting Rifle** **R 8500.00**  
 A 24" (610mm) round tapered barrel with a ramp front sight and an adjustable Williams rear V sight, bore is excellent. Mauser 98 action with a Tasco 4x40 scope fitted. The stock of lightish straight-grained walnut with stylish panels to the pistol grip and more conventional ones to the forearm. The ventilated recoil pad is tired. Good condition.
- F107 .30/06 Brno ZKK Rifle - Scoped** **R 8500.00**  
 A 60cm (23.6") round tapered barrel. Ramp front sight and folding rear V sight over a very good bore. An Optic-Deluxe 4x40 Wide scope is fitted. White-line spacers to the butt pad (which is really tired), the grip cap and the fore arm tip, both of which are of rosewood. 20LPI chequering side panels to forearm and pistol grip. Good condition.
- F108 .30/06 Remington Game Master Pump Mod 760 Rifle** **R 6500.00**  
 A centre-fire pump action is a rare beast in southern Africa. The 22" (558mm) round tapered barrel with a ramped front sight and adjustable rear sight. The bore is good. A 3-9 Vari-XII scope is mounted on see-through mounts over the action. The stock and forearm of straight-grained walnut with impressed 'chequering' panels with scrollwork and fleur-de-lys. White-line spacers abound. Good condition.
- F109 .30-06 Sako A111 Rifle - Scoped** **R 11000.00**  
 A 24" (610mm) round tapered barrel has a hooded and ramped front sight plus an adjustable rear sight. The bore is very good. The bolt action surmounted by a Bushnell 4x Banner scope. The stock with some figure and a reinforcing cross-bolt under the breech. Side panels of 22LPI chequering to the pistol grip and forearm. Very good condition.
- F110 9.3x62mm Mannl. Schoenauer Rifle** **R 17500.00**  
 The 60cm (23 5/8") round tapered barrel with a ramp front sight and a standing V rear sight with one folding blade, the bore is very good. A Lynx 3-9x40 scope on a quick release side mount over the action allows for it and the iron sights to be used. Action has set triggers. Rotary magazine of 5 shots. Stock of medium coloured walnut, with barring and contrasting figure. Small cheekpiece. Wrap around pattern of 22LPI to the forearm and side panels to the pistol grip. There is a cross-bolt on a barrel band just before the black polymer forearm tip. Includes a Redding die set. Very good condition.
- F111 .308win Parker Hale Rifle** **R 7500.00**  
 Barrel of 24" has no maker's marks to it but the rifle is British proofed and the stock is unmistakably Parker Hale. Single panel chequering to flat fore-end, two panel chequering to grip of Monte Carlo butt which has a ventilated recoil pad. Excellent bore.
- F112 .303br BSA Lee-Speed Sporting Rifle - Pre 1898** **R 7500.00**  
 With a 25" (635mm) round tapered barrel which has a good bore. Ramp front sight with a swivelling hood, the rear sight a standing V plus two folding blades and a small ladder to get you out to 900yds. Standard SMLE action with a 5 shot magazine. The stock of good colour and with figure and some barring. Chequered to the grip and forearm with a wide border. Front sling swivel attaches to a barrel band. Very good condition.
- F113 .303br Lee-Speed Sporting Rifle Pre - 1898** **R 7500.00**  
 Another, same barrel, sights action and magazine, but this has a sporter stock with excellent barring and a black polymer butt pad rather than a brass plate. The chequering a wrap-around forearm pattern and bigger pistol grip panels. Very good condition.

- F114 8x57mm Brno ZKK Deluxe Rifle - Scoped** **R 8500.00**  
 A 60cm (23 5/8") round barrel, front ramp sight with a slide off hood and a folding rear sight. A Weaver K4-F scope is mounted over the breech. The trigger is of the single set persuasion. Stock with contrasting forearm tip and grip cap, white line spacers abound. The ventilated recoil pad is approaching its last legs. The stock with a slightly raised Monte Carlo comb and has a small cheek piece. Good condition.
- F115 .338win mag Browning Semi-Auto Rifle** **R 12500.00**  
 Fitted with Weaver K4W scope, barrel of 24" (610mm) has folding leaf rear sight and ramp front sight, three round magazine. Wrap around chequering to fore end, two panel chequering to grip, solid Browning recoil pad to butt. Excellent original condition.
- F116 9.5mm Mannlicher Schoenauer Mod 1910 Rifle** **R 4500.00**  
 A 61cm (24") round tapered barrel with a ramped front sight and a standing V sight with one folding blade. The bore is good. The stock has a non-professional barrel band added at the forearm tip, a couple of small brass cross-bolts, one at the wrist the other under the breech, plus the main action bolts seem a bit wrong. Fair condition.
- F117 9.5mm Mannlicher Schoenauer M1910 Rifle** **R 6500.00**  
 Another of the same, barrel, bore sights and action all the same. Receiver has been dovetailed for scope mounting. The stock, though old and having had some rough treatment is still in somewhat better condition. Good condition.
- F118 .44mag Ruger Mod 44 S/A Carbine** **R 7500.00**  
 The ideal pig gun? Semi-auto with a barrel length of 18,5. Tube magazine holding 4 rounds. The gun in a good clean condition and seems hardly used.
- F119 .460wm Weatherby Mk V Rifle** **R 22500.00**  
 A really big heavy gun and it needs to be so - the recoil is not for the faint hearted. The massive 26" (660mm) barrel is fully 20mm in diameter at the muzzle and 36mm at the breech. The bore is good. A ramp front sight and a folding rear V sight. The stock of straight grained walnut with reinforcing cross bolts under the breech and at the action's rear. Skip line chequering to pistol grip and fore arm. Contrasting forearm tip and grip cap, both with white-line spacers. Very good condition.
- F120 8x60mm Fritz Weiss M98 Sporting Rifle** **R 5500.00**  
 A 31" (788mm) octagonal barrel with a raised cross-cut rib. Bore is good. The ramped bead front sight allied to a 5 folding blades rear sight with an additional ladder sight out to 1200m. Mauser 98 action with some engraving. Dark walnut stock with 24LPI chequering to pistol grip sides and a dark forearm tip and grip cap which are probably horn. The rubber recoil pad is defunct. Good condition.
- F121 9x57mm J.P. Sauer & Sohn M98 Mauser Rifle** **R 7500.00**  
 Sporting rifle with 30,5" octagon to round ribbed barrel with leaf & ladder rear sight and ramp fore-sight. Top rib marked to 'J. P. Sauer & Sohn Zweigniederlassung Berlin'. Action by DWM Berlin. Better grade stock has schnabel tip, wrap-around chequering to fore-end, two panel chequering to wrist and cheekpiece to butt which has a Pachmayr Decelerator pad fitted to it. Relatively good bore, rifle is in excellent refinished condition. Customer has the following available separately: 500 original Kynoch rounds in good packaging and original excellent condition, around 30% are solids the rest soft noses.
- F122 .30-06 Custom-Built M98 Mauser - Scoped** **R 17500.00**  
 Rifle is built on an Oberndorf Mauser action with a ribbed 24,5" octagonal barrel carrying ramp fore sight and two leaf rear sight. Rifle is fitted with a 3-9X Bushnell Banner on a European slide on mount. Adjustable trigger and lo-scope safety to action. Superior grade walnut stock dark fore end tip & grip cap, skip line chequering and cheek piece. All in excellent condition. Replacement costs on building a similar rifle today would be at least R45 000.

- F123 16ga/9.3x72R Heinze Drilling** **R 12500.00**  
 Top rib engraved 'Engelbert Heinze, Dresten'. Barrels are 68cm (26.75") long. The smooth bore tubes are excellent and marked 'nitro', the rifle barrel has no identification but is for a slim rimmed case. The sights are a low bead out front with a (manually raised) V rear sight in the top rib. The action silvered with much floral scrollwork and deer on the LHS plus a fox and a stag on the RHS; the hammer locks likewise. The action is opened by the snap underlever. The top lever selects the rifle barrel. The 3 triggers is something different. The stock of good dark highly figured walnut chequered to 24LPI, as is the forearm. A small cheek piece is present and an engraved blued cartridge trap in the heel of the stock. A remarkable piece in a very good professionally refinished condition.
- F124 12ga/.400 Weber S/S Hammer Combination - Pre 1898** **R 6500.00**  
 The barrels are octagonal at the breech but at about 1/3 towards the muzzles they go round. Action is fitted with a Jones underlever which is slow but sure. Hammers, locks and action body lightly engraved with delicate scrollwork. The 675mm (26.5") barrels show some pitting near the breech on the smooth bore tube, rifling on the other still good. The right hammer is working, the left is not holding to full cock. There's a horn finger holder built into the rear of the trigger guard. Stock with a small cheek piece is of nice coloured walnut with quite some figure.
- F125 12ga/.500 Heym Drilling** **R 9500.00**  
 A big heavy drilling weighing 4.475kg (10lbs). The 69.6cm (27.5") smooth bore barrels have clean tubes and are choked a tight 1/2 on the right and 3/4 on the left and are both marked 13/1. The bore of the rifle tube is excellent. The cross cut top rib with a small front bead and 5 folding rear sights from 100 to 500 metres. The massive brushed silver action accommodates a doll's head barrel extension. The forearm is completely covered with 24LPI chequering, except for the Deeley catch. The very dark stock with elongated tear-drops has the same chequering over the complete pistol grip. The metal butt plate is cross-hatched and has a trap for cleaning equipment etc.
- F126 .410br Belgian "Poachers" S/S Hammer Shotgun - Pre 1898** **R 2250.00**  
 With 28.25" (716mm) barrels both with full choke and pretty reasonable bores. The side-lever hammer action is common as is the miniscule forearm. The stock with a good repair to the wrist is otherwise clean and has some figure. At 1.82kg or 4.2lbs, very light. Very good condition.
- F127 .410br Spanish Single Barrel 'Poachers' Shotgun** **R 650.00**  
 A side lever gun. The 26"(660mm) barrel has a good bore and is choked full. The action colour case hardened. The stock and fore arm would benefit from a do-over. At 1.4kg or 4.4lbs it is extremely light.
- F128 9mm RF European Combination S/S Gun** **R 1750.00**  
 Barrels of 27.5" (700mm), one smooth and the other rifled. Two leaf rear sight. Hammerless under lever action. Pistol grip type stock. Weighs 2.2kg or just under 5lbs. Good original condition.
- F129 .43/12ga Sauer Box Lock Combination - Pre 1898** **R 3750.00**  
 An auto safety non-ejecting box lock with top cross bolt showing 'J. P. Sauer & Sohn, Suhl' on each side of the action. The 27.5" (700mm) barrels have good bores and the left hand (shotgun) barrel is a 3/4 choke. The 11mm broad rib holds a 3 leaf folding rear sight and a low blade front sight. Rifle barrel diameter is given as 10.7mm. The light coloured walnut stock and fore end are chequered to 20 LPI. The LOP to the front, rifle trigger, is 15"(38.2cm) to a ventilated recoil pad. Gun weight is 3.58kg (7.9lbs) Good condition.
- F130 16ga German S/S Hammer Shotgun** **R 1750.00**  
 A really nice light 16 bore with excellent bores to the 75cm (29.5") barrels, which are nitro proofed and the left is a cylinder bore while the right is slightly choked. The stock of straight-grained walnut with some figure is flat-top chequered to 20LPI. LOP to front trigger is 13 5/8". The weight is just 2.7kg (6lbs). A small sliver off the forearm and a slight crack behind the LHS lock are the only detractions, apart from the totally foreign ventilated so-called recoil pad which needs to go. Good condition.

- F131 12ga R Hughes S/S Shotgun - Pre 1898** **R 2500.00**  
 Bar action sidelock hammer gun, marked 'Hughes' on both locks which also show a pair of spaniels. Fitted with a dolls head rib extension. The 30.25" (768mm) barrels show slight pitting forward of the chambers. Choke is a 1/4 right barrel and 3/4 left barrel. The Damascus patterning of the barrels is particularly attractive. The stock and forearm are of straight-grained walnut.
- F132 12ga BSA S/S Box Lock Shotgun** **R 3750.00**  
 Top rib shows 'Made by B.S.A.'. A plain box lock extractor model with an auto-safety, stamped B.S.A on left hand side. The 30" (76.2cm) barrels show some very light pitting and are cylinder bore on the right and 3/4 choked on the left. Gun is nitro-proofed for 1 1/8oz (32gm) loads. The stock is of light walnut and has a LOP of 14" (35.5cm). Gun weight 3.53kg (7.8lbs).
- F133 12ga Hubertus S/S Hammer Shotgun** **R 750.00**  
 With 30" (762mm) barrels, both bores pitted quite badly and both full choked. Barrel extension with a doll's head. Right hand back action lock with plain replacement plate. Left hand lock engraved with animals and floral scrolls as is the rest of the metalwork. Stock with crack at the toe otherwise the wood is in a fair condition.
- F134 12ga Needham S/S Hammer Shotgun - Pre 1898** **R 1750.00**  
 Bar action sidelocks marked 'J. N. Needham'. Hammer action with top break lever, non-ejector, lightly engraved. The 30.25" (768mm) barrels show some light pitting in both tubes which are choked improved cylinder on the right and 3/4 on the left; black powder proofs only. The top rib shows 'J.N.Needham Damascus Works, Loveday Street, Birmingham' and ends in a dolls head extension. The stock and fore arm of medium coloured walnut show rough attempts to re-chequer them. LOP is 13 7/8"(353mm) to front trigger.
- F135 12ga Ward & Sons S/S Hammer Shotgun** **R 1250.00**  
 Top rib marked 'Ward & Sons, Birmingham'. The 30"(762mm) barrels have good bores and are choked Improved on the right, Full on the left. Back action hammer locks and action plain with border lines only. Action is tight and nitro proofed for 1 1/8oz (32g) 65mm cartridges. Forearm could do with re-chequering, but stock is in good nick. Good condition
- F136 12ga./11mm Drilling by J. P. Sauer & Sohn** **R 1250.00**  
 Hammerless sidelock action with extensive engraving to lock plates, action & trigger guard. Cocking indicators to lock plates. Top lever action with cross bolt and barrel selector above trigger guard. Barrel length of 26,5" with four leaf folding rear sights. Two panel chequering to pistol grip, shadow line cheek piece and four round ammo trap to butt. The piece is in good professionally refinished condition with some faint pitting marks visible to exterior of barrel. Decent grade of wood. Some very light pitting to shotgun bores, fair to good rifle barrel. Overall, good professionally refinished condition. The customer has the following available separately; Some of the original 11.15mm RWS ammo and a very good condition RCBS die set.
- F137 12ga Greener S/S Boxlock Ejector Shotgun** **R 4500.00**  
 The Empire model. The 32"(813mm) barrels with good bores, right barrel 1/2 choke, left Full. Cylindrical cross bolt to plain box lock action which still retains some colour case hardening. Greener side safety fitted, naturally. The stock with semi pistol grip, flat top chequering to 22LPI. LOP from front trigger to ventilated recoil pad is 15 1/8". Fore arm with a Deeley catch and horn tip. At 3.5kg (7.85lbs) slightly on the heavy side. Very good condition.
- F138 12ga FN Boxlock N/E S/S Shotgun** **R 2750.00**  
 The 30" (762mm) barrels have some very light pitting and scouring. Chokes are a tight 1/2 on the right, a tight full on the left, (marked 18.2mm and 17.4mm respectively). Proofed for 1 1/4oz (36g) 70mm cartridges. A plain box lock action with rather abrupt fences, a cylindrical cross bolt is fitted. Auto safety. The stock with a straight hand grip is of lightish walnut, chequered to 22LPI. The fore arm with an Anson push catch is well covered by chequering. LOP from front trigger to the black polymer butt plate is 14 1/8" (360mm). Weight is 3kg (6.72lbs). Excellent condition.

- F139 12ga Saml. Marson S/S Boxlock N/E Shotgun R 1250.00**  
 The 30" (762mm) Damascus barrels have good bores and choked 1/4 on the right and full on the left. Black powder proofs. Finish is entirely missing from all the metal. Extractor box lock action with auto safety, side clips present. Chequering is worn away on both fore arm and stock, though the wood is still okay. Fair condition.
- F140 12ga Aya S/S Boxlock N/E Shotgun R 2750.00**  
 The 30" (762mm) barrels have excellent bores and are both choked full. The box lock action with an auto safety and minimal engraving and colour case hardening. The stock of rather light coloured wood is chequered to pistol grip and fore arm to 22LPI. The LOP to front trigger is 14 7/8". Good condition.
- F141 12ga Beretta Silver Pigeon Pump Shotgun R 4500.00**  
 A 29 3/4"(757mm) barrel, full choked. Steel action with alloy trigger guard which shows loss of finish. Wood is plain, chequered to 20LPI. LOP to ventilated recoil pad is 13 3/4". Good condition.
- F142 12ga Brno/Merkel O/U Shotgun R 14500.00**  
 With 28"(712mm) barrels, excellent bores both choked full with nitro proofing and with typical double locking lugs. Three piece fore arm with Deeley catch. Ejector action with auto safety and double triggers, much engraved with game scenes. Dark walnut stock with good figure, contrast and barring, typical small cheekpiece. LOP from front trigger to solid rubber butt pad is 14 5/8" (373mm). Very good condition.
- F143 270win Brno ZG47 Rifle R 15000.00**  
 Proofed 1956. Barrel of 24" marked 'ZG47 Cal. 270W. Brno Made in Czechoslovakia'. Rear sight blade removed to make provision for scope mounting. Parker-Hale scope rings fitted. The ZG47 was built on a large ring action with a unique cocking piece safety. Good plus bore, good to good plus overall condition.
- F144 9,3x62 Brno ZG47 Rifle - Scoped R 65000.00**  
 This rifle would appear to be the first Brno ZG47 built with the serial number 00001. Fitted with Meopta 4x scope integral mounts. Barrel length of 24" with single leaf rear sight and hooded ramp fore-sight. Bore in excellent shiny condition. Barrel is marked 'Cal. 9,3x62 Mauser CZ ZG47'. Stock has a black tipped schnabel fore-end, wrap-around chequering to the fore-end, two panel chequering to the wrist, a dished shadow-line cheekpiece and a replacement red ventilated recoil pad which is marked to 'M.J. Bundock Gunsmith Dunnotar'. Finish on the metalwork is virtually mint, with a gloss blued barrel and matt receiver. Finish to the stock is also extremely good. Rifle would appear to have very little work and can be described as good plus original overall.
- F145 .22 Anschutz Match 54 Target Rifle - Cased R 6500.00**  
 In a big well-padded wooden case. The heavy 26" (660mm) barrel has a good bore. Action a single shot bolt target type. Front and rear target sights are stored in a foam plastic box. The typical bulky stock is in good condition. A full length cleaning rod is present.
- F146 .375H&H Mag 'Landrover' Rifle - Cased - New R 65000.00**  
 A tapered 24" (610mm) barrel with outstanding bore, sports a ramp front sight with a folding hood. The ramped rear sight with a single standing V and 2 folding blades. The Magnum Mauser action with QD side mounts for the Helia 4x36 scope. Steel magazine floorplate with release catch on the guard. The big stock, of a choice grade of walnut, a good dark colour with plenty of contrast, chequered to 22LPI to the pistol grip and a wrap-around forearm pattern. The excellent case, of leather and wood, also contains a full-length cleaning rod with wooden handle, nickelled square oil bottle, a leather wallet holding cleaning brushes etc. and a leather sling. New and unfired.

- F147 .450 No.2 Musket Westley Richards Deely-Edge Rifle** **R 95000.00**  
 In a very big, heavy case made with 1" thick Rhodesian teak planks. It contains everything you could possibly need to make cartridges in the field, short of pot to melt your lead. The gun is rebuilt. A heavy octagonal barrel 30" (762mm) long with a pronounced under rib, sporting ferrules for the wood and brass ram rod. A target adjustable front sight with a tang mounted target rear, backed up by 6 folding V sights plus a folding ladder on the barrel. The falling block action engraved '**Manufactured by Westley Richards & Co, London & Birmingham**' on the LHS. On the RHS is '**Deeley & Edge Patent.**'. The stock and fore arm of choice walnut with lots of figure and contrast, flat top chequered to 22LPI. to a wrap around fore arm pattern and twin pistol grip panels. A truly excellent offering.

- F149 28ga English S/S Shotgun** **R 17500.00**  
 A very dainty little gun in good professionally refinished condition. Built by the English trade on a Webley action, the gun carries Birmingham nitro-proof stamps. Barrel length of 27", box lock non-ejector action with rose & scroll engraving to the action, trigger guard, toplever, fore-end etc. Wellfigured, straight hand stock. Peacock bluing to trigger guard, fore end iron and toplever. London oil finish to wood. Some faint pitting to barrels which would not have any effect on patterns. Tight action. Good plus refinished condition .
- F150 12ga Allan S/S Shotgun - Cased** **R 4250.00**  
 Top rib marked '**A. Allan, Trongate, Glasgow**'. The 30" (660mm) barrels show some very light pitting just ahead of the chambers. Nitro proofed for 1 1/4oz, (36g) cartridges. The box lock action also with '**A. Allan**' in a scroll on both sides. Cross bolt reinforcing, extractor model. The stock of nicely figured walnut, cut to 22LPI chequering as is the fore arm which has an Anson push rod. LOP from front trigger to dark horn butt plate is 14 1/8". Good condition. The rather aged case shows a 'Lawn & Adler' address label on the inner lid.
- F151 12ga Holland & Holland Paradox Shotgun - Cased** **R 65000.00**  
 The 28" barrels show some light scouring and pitting. The slightly elevated rib with a low bead front sight and a 2 blade folding rear sight for 50 and 100yds. The Paradox rifling to the bores at the muzzles was invented by Col. Fosberry and gives solid slugs more accuracy without destroying the shot pattern. The action plain with '**Holland & Holland**' engraved on the back-action locks. The stock of excellent walnut, chequered to 24LPI with a plain blued steel buttplate. The LOP to the front trigger is 13 7/8", on the shortish side. The forearm with a Deeley catch has a small metal finial at the tip. The synthetic case is undergoing a disintegration of the foam lining. Weight 3.4kg or 7.6lbs.

 Open sights to 23.5" (597mm) barrel, two panel chequering to both fore end and wrist, steel butt trap to stock. Stock appears to be a replacement, some pitting evident along barrel/stock line. Fair to good bore. Fair to good overall condition.
- F165 12ga Jackson S/S Hammer Shotgun - Pre 1898** **R 3950.00**  
 With 30" (762mm) Damascus barrels, both unchoked bores with some light pitting. Black powder only. The bar action side locks with attractively arcaded fences. The hammers are conjoined to the firing pins - very unusual, as is the short top opening lever. Action, locks, trigger plate etc profusely engraved with fine scrollwork. The forearm rather worn, the stock with good colour and 20LPI flat-top chequering. Gun weighs 6.75lbs (3.05kg).
- F166 12ga Greener GP Martini Shotgun** **R 1750.00**  
 Single barrel on a Martini action. The action has '**Greener's GP Gun**' on its RHS and '**W. Greener Maker Birmingham England**' on its LHS. Thumb safety catch on the rear RHS of the action. The 34" (838mm) barrel is choked a tight full, the bore is good. Fore-end and stock of some light coloured hardwood, flat-top 'chequering' to about 10 LPI is evident on both. Weight is 3.2kg (7lbs) for a single barrelled gun! Good condition.
- F167 9mmrf Belgian Martini Rifle** **R 1950.00**  
 A 59cm (23 1/4") slightly tapering octagonal barrel with a good bore. Front sight damaged, rear sight a standing V for 50m with one folding blade for 100m. The mini Martini type action has an external hammer instead of the usual internal striker. Action secured to stock by top and bottom tangs, not the usual through bolt. Wood is in need of a pick-me-up. Definitely one for the single shot rifle collector.
- F168 .375h&h mag Mahillion Rifle** **R 25000.00**  
 With a 60cm (23 5/8") barrel, a bead front sight on a ramp with a standing V rear sight with 2 folding leaves, the bore is very good. The action a modified Mauser type.  Another of the same, this with the more usual 18 3/4" (476mm) barrel with a front sight bead. Good condition.

- G47 12ga Maverick M88 Pump-Action Riot Shotgun R 3750.00**  
 With a 20" barrel, making it legal in the USA, plus magazine extension. All synthetic furniture and includes a carry sling fitting on the magazine tube. Appears to be unused and as new.
- G48 12ga Hatsan Shotgun Pump-Action Shotgun R 1950.00**  
 With a 18.5"(470mm), synthetic black stock and forearm, another of the genre. Good condition.
- G49 12ga Maverick Mod 88 Pump-Action Shotgun R 4000.00**  
 A 20" (508mm) version, this has lost most of the action's finish, but this has not affected its working. Fair to good condition.
- G50-51 No Item**
- G52 12ga Rottweil Semi-Auto Shotgun R 4500.00**  
 Another of the engraved action model. The wood perhaps a few shades redder, but the condition remains very good.
- G53 12ga Mossberg Mod 395KB Bolt Action Shotgun R 2000.00**  
 Very unusual to see a bolt-action shotgun in this country though they are quite common in Germany. This one with a 27" (686mm) barrel with a screw-in variable choke device at the muzzle. The bore is very good and the magazine, though its spring appears to be defunct, usually takes 2 rounds, giving you 3 in total. Apart from the sad box magazine, the rest of the gun looks unused.
- G54 No Item**
- G55 12ga SKB Mod 605 O/U Shotgun R 11500.00**  
 Polished action, single trigger multichoke (other chokes in a box), non-auto safety, ejector model. The 30" (76.2cm) barrels with pristine bores. Woodwork spotless. Excellent as-new condition. LOP 14 1/8" (36cm). Weight 3.55kg (7.7lbs). VVGC.
- G56 12ga Winchester Mod 37 Single Barrel Shotgun R 750.00**  
 Clean bore to 30" (762mm) barrel with a tight full choke. 2 3/4" Chamber. Trigger cocks with a small hammer just behind the opening lever. Plain straight-grained American walnut. VGC.
- G57 .410 Marca Grulla S/S Shotgun R 7500.00**  
 With 26" (660mm) barrels, bores are somewhat pitted ahead of the chambers. Top rib tapers down to the muzzles. Boxlock with auto safety, extractor model, silvered action nicely engraved with floral scrollwork. The stock and semi-beavertail forearm nicely chequered to 22LPI. LOP from front trigger to butt 14 1/4". Fair to good condition.
- G58 12ga Baikal S/S Shotgun R 4000.00**  
 Typical Baikal, 26" (660mm) tubes with good clean bores and choked a tight 1/2 on the right and full on the left. Boxlock of the non-auto safety and extractor persuasion. At 3.1kg (7lbs) quite a light gun. Very good condition. The beech stock and forearm in good shape.
- G59 No Item**
- G60 12ga Winchester Pump Action Shotgun - Cased R 4500.00**  
 The 77cm (30 3/8") barrel with a matted 10mm wide ventilated top rib is full choked and has a good bore. The stock and forearm of quite good walnut with impressed chequering. Green synthetic case. Good condition.
- G61 12ga FN "Humpback" Mod A5 S/Auto Shotgun R 4250.00**  
 With a 25.5" (650mm) barrel with a ventilated top rib and a very clean bore. A 5 shot auto on the long recoil principle. Barrel finish is still okay but the action's is mainly gone. Slight (repairable) crack to back RHS of forearm. Otherwise in reasonable good condition.

#### Conditions of Sale

The following Terms and Conditions as amended by any postal notice or verbal announcement during the sale, constitutes the entire terms and conditions under which the property listed in this catalogue, is offered for sale by Classic Arms and any consignor for the said property that we act for.

- 1) As used herein, the "bid price" shall mean the price at which a lot is knocked down by the auctioneer, to a purchaser and the term "purchase price" shall mean the aggregate of:
  - a) The bid price,
  - b) **A PREMIUM PAYABLE BY THE PURCHASER OF 12,5% OF THE BID PRICE, + VAT at 15% thereon (i.e. a total premium of 14.375%)**
  - c) And where specifically stated by the auctioneer VAT at 15% of the bid price. It is recorded that the consignor has authorised Classic Arms to retain the premium payable on each lot as part of our remuneration and that the VAT payable on such premium is in addition to such premium.
2. On the fall of the Hammer the highest bidder will have been deemed to have purchased the lot being offered and to have:
  - a) assumed full responsibility and liability for the ownership of that lot in accordance with the terms and conditions contained herein
  - b) to undertake to settle the aggregate purchase price within a maximum of seven calendar days from the date of sale.

In the case of all firearms it is specifically recorded that the purchaser is deemed to have assumed full liability for ownership and payment in accordance with the terms and conditions contained herein irrespective of the granting or not of a South African Police Services licence or permit for possession of the said lot.

All lots requiring licences shall be retained by Classic Arms pending proof of issuance of said licences

Should a licence for any lot, for any reason whatsoever, be declined, then the purchaser may require Classic Arms or a registered arms and ammunition dealer of the purchasers choice to resell such lot on the purchasers behalf. Such sale shall be conducted against

the prevailing terms and conditions of the chosen dealer at time of resale and, irrespective of the Auction purchase price, at the price determined in agreement with the auction purchaser and the dealer

It is specifically noted that Classic Arms may in no way be held liable for a shortfall if any, between the auction purchase price and the resale price.

Under no circumstances shall any lot requiring SAPS licensing be released to any person or body not duly authorised to be in legal possession of said lot, and unless all monies due have been settled in full and in accordance with the terms and conditions contained herein.

No lots shall be deemed to have been paid for until all monies due have been delivered in cash or in Bank Cleared funds.

All purchases may be paid for in cash, by Master Card or VISA, American Express or Diners Club International, or by cashiers. or Bank Guaranteed Cheque. **A further premium of 5% of the aggregate purchase price including VAT thereon will be levied for all Credit or Charge Card settlements.**

No cashier's cheque will be deemed to constitute payment until the effects thereof have been cleared into the Classic Arms Trust Account.

If the foregoing or any other conditions contained herein are not complied with by the purchaser, in addition to any other remedies available to us and the consignor by law, including but without limitation to, the right to hold the purchaser liable for the purchase price, then we at our sole discretion may:

- a) cancel the sale, retaining as liquidation costs any amounts paid by the purchaser,
- b) resell the property.

**3. All payments to be made within 7 days. Property sold at auction and not paid for in full or collected, within 4 (Four) elapsed Months from the date of the auction, shall be deemed to be abandoned UNLESS OTHERWISE NOTIFIED.**

The auctioneer reserves the right to dispose of the property in any manner he sees fit and recover reasonable administration and/or storage costs from the disposal of said property and/or the purchaser.

No subsequent claim arising from such a disposal shall be entertained and the auctioneer may not be held liable for any losses incurred by either the consignor or purchaser, or any other party, in this regard either publicly or privately and in such event to hold the purchaser liable for all costs including our commission and expenses for both sales, all other charges due hereunder, our attorneys fees and incidental charges.

All fees commissions, bid prices and duties not settled promptly by the purchaser in terms of this clause 2 shall bear interest at South African Bankers prime lending rate plus 3 percent from the seventh day following the sale until settlement is received in full.

In the event that a purchaser does not effect collection within four months of the sale date, of any item purchased, Classic Arms reserves the right to charge a storage fee of ZAR 150-00 per calendar month or part thereof. Such fee being payable monthly in advance from the first day of the month within which the four month period shall expire. In the event that the purchaser fails in his obligation to Classic Arms to pay such fee, Classic Arms, may at its own discretion, resell such item to recover such fee.

**4. We reserve the right to withdraw** any property at any time prior to the actual sale of such property. Unless actually stated by the auctioneer, all lots shall be offered against their catalogued number and no lot shall be divided for sale.

**5. We reserve the right to reject any bid.** The highest bid acknowledged by the auctioneer shall be deemed to be the final bid price. In the event of any dispute between bidders or, if in the sole opinion of the auctioneer he doubts the validity of a bid, the auctioneer shall have the sole right to determine the successful bid or to re-offer the property in dispute for sale. Our sale records shall be conclusive in any dispute during or after conclusion of the sale.

**6. If for any reason beyond our control**, including but not limited to, fire, theft, acts of God, or insurrection, we are prevented from delivering the property to the purchaser, then we will be liable only for the sum actually paid therefore by the purchaser and shall in no event include payment for consequential or incidental damages.

Classic Arms accepts no liability for any losses of whatsoever nature caused by any legislative changes in regard to the possession, by individuals or bodies, of firearms or ammunition.

**7. If a lot is offered subject to a reserve** (this being the confidential minimum price required by the consignor) then Classic Arms reserves the right to open the bidding or to bid on the consignor's behalf in order to protect such reserve.

Classic Arms shall not bid on the consignor's behalf above such reserve. IN NO EVENT MAY

A CONSIGNOR BID ON ANY PROPERTY OFFERED FOR SALE BY SAID CONSIGNOR.

**8. All lots are sold "Voetstoets"**. ALL STATEMENTS CONTAINED IN THE CATALOG OR IN ANY SALE DOCUMENTATION AS TO THE AUTHENTICITY, VALIDITY, AUTHORSHIP, PERIOD CULTURE, SOURCE, PROVENANCE, RARITY, CONDITION, IMPORTANCE OR HISTORICAL VALUE, ARE STATEMENTS OF OPINION AND ARE NOT REPRESENTATIONS OR WARRANTIES. NOT WARRANTY IS GIVEN AS TO ACCURACY OF RIFLES OR CLARITY OF OPTICS.

**9. If we undertake packaging** or handling of any lots on the purchaser's behalf it is done so entirely at the purchasers risk. We are not liable for any acts or omissions of carriers or packers including those recommended by us. Such carriers or packers may carry there own insurance and any claims for loss or damage should be addressed directly to them.

**10. These Conditions of Sale** and the respective rights of the purchaser and Classic Arms, are governed by the laws of South Africa. By bidding at an auction in person, or by agent, order-bid or telephone or other means, the buyer or bidder agrees to be bound by these *Conditions of Sale*. Any dispute controversy or claim arising out of or relating to this Agreement, or the breach, termination or validity thereof, brought by or against Classic Arms (but not including claims brought against the consignor by the purchaser of the lots consigned hereunder) shall be resolved by the parties in 10.

These *Conditions of Sale*, shall bind the successors and assigns of all bidders and purchasers and inure to the benefit of successors and assigns. No waiver amendment or modification of the terms hereof (other than posted notices or oral announcements during the sale) shall bind us unless specifically stated in writing signed by us.

**11. Absentee Bids.** As a service to those bidders that are unable to attend the actual auction, we may at our sole discretion accept bids in advance of sale by telephone, or in writing on the bidding forms provided in the back of the sale catalogue.

Please note that we cannot accept "buy" bids and all bids must clearly state the maximum (excluding buyers premium and any applicable taxes) bid that the bidder is willing to pay. In the event that identical absentee bids are received then the first bid received shall take. We accept no responsibility for not executing an absentee bid for any reason whatsoever.

**12. Estimate prices.** As a service to our clients, we furnish presale estimates for all lots. These estimates are intended as a guide to current market value and represent no warranty to bidder or seller as to the actual price. Bidding normally begins at 50% of the estimate but the final price may be more or less than the estimate value.

**13. Sale Increments.** The following increments apply to all lots bid for. Please note that the auctioneer will increment the purchase price at these rates and not at any rate bid from the floor. By bidding, a prospective purchaser acknowledges these increments.
