- A37 Bren Gun Mk1 Tripod** **R 2750.00**
 WW2 and subsequent Rhodesian bush war veteran, would have been used for base defence purposes in Rhodesian bush war. Designed to be used in ground defence or anti-aircraft roles, with the S.M.L..E rifle fitted for a 3rd leg in the ack-ack role. This was a feature that was not included in the Mk2 tripod. Good original condition.
- A38 .303 No.4 Deact. Service Rifle** **R 3750.00**
 Complete with a 10 shot magazine. As used by SA Forces in WW2 and later.
- A39 7.62mm Deact. FN-Fal/R1 Service Rifle** **R 8500.00**
 R1/FN rifle used by both SADF & Rhodesian forces from the early 1960's through to the mid 1980's. Still showing traces considerable of Rhodesian camo to it. S.A made example without any visible markings to it, which gave the S.A government a measure of "deniability" when accused of supporting Ian Smith's government. Good overall condition.
- A40 Deactivated .303 "Long Lee" Service Rifle** **R 2950.00**
 Boer war vintage rifle. Butt socket marked "Crown E.R. BSA Co. 1902 L.E. 1*" and UDF marking to receiver ring.
- A41 Deactivated M56 Yugoslav M56 SMG** **R 3950.00**
 Metal folding stock, 9,8" barrel, chambered for the 7,62mm Tokarev round. Magazine capacity of 35 rds. Rate of fire is 600rds. per minute. First taken into service in 1956. Good to good plus condition. Supplied to one of the Zimbabwean "liberation armies" as part of an "aid" package.
- A42 British Issue No.2 Mk11 Binocs ex Rhodesia** **R 750.00**
 Marked "Bino Prism No 2 Mk 3x6 & A Kerschaw & Son Leeds 1939". Good original condition
- A43 British Issue Mk111 Prismatic Compass ex Rhodesia** **R 850.00**
 Solid brass Mk111 compass manufactured in London by "T.G. Co. Ltd. 1945" with British Broad Arrow ownership stamp to it. Subsequently issued to Rhodesia & Nyasaland forces with "R.N.G. 595" ownership stamps to it. "R.N.G" subsequently formed the Rhodesian Army and the compass came out of what is now known as Zimbabwe. Crack to glass lens, otherwise all good working order.
- A44 Repro P-08 Luger Holster** **R 1250.00**
 A good quality repro holster marked "Kern Kloger & Cie. 1936". With provision for spare magazine & take-down tool. Excellent condition.
- A45 Sectioned/Skeletonised Nickel Marburg Scope** **R 2250.00**
 Nickel Marburg rifle scope which has been cut open to display the inner workings of the scope. Whether for sales display or for armourer's instruction purposes is uncertain. Very good condition.
- A46 PMP Bullet Board** **R 3500.00**
 Large (118 by 98 by 7cm) board with glass front. Shows the various calibers and bullet weights loaded by PMP, many sectionalised.
- A47 Brass Model "RAS" Canon** **R 2850.00**
 A brass model copy (67cm x27cm x18cm) of the "Martienie" (Ras) cannon built in 1880. Used against the British in 1881. On a varnished wood board. We have been informed that this is one of a limited number of cannon whose casting was commissioned by the Military affairs division of Pretoria University in 1980/81 to commemorate the centennial of the Ras/Martienie cannon. It is understood that certain of these cannon were gifted to senior SADF officers at the time. Excellent condition.

CATEGORY B ~ MUZZLELOADERS

| Lot | Lot Description | Estimate |
|-----------|---|-------------------|
| B1 | .50cal European Duelling Type Percussion Pistol Damascus, smoothbore, engraved & gold inlaid barrel of 260mm. Gold proof mark to barrel. Full stock walnut stock with horn Schnabel tip to fore end. Wrap around fine chequering to grip which has silver escutcheon with crown and W surmounting it. Extended lower tang to trigger guard. Circular steel grip cap. Stock displays a sideways crack just ahead of the lock, otherwise good original condition. | R 3750.00 |
| B2 | Muzzle-Loading Pistols x 3 1. Big bore flintlock horse pistol with brass front band, trigger-guard and butt cap. Plain lock plate. No markings to pistol. Cock does not lock back when retracted and would need some attention. 2. Middle-Eastern flintlock pistol designed for the tourist trade. Crudely finished. 3. Percussion pistol with hammer missing. Fair condition. | R 1650.00 |
| B3 | 12ga Buchanan S/S Percussion Shotgun The 30"(76cm) tubes shows some pitting and other rusting. The Damascus patterning is barely visible. Both locks are working. A replacement ramrod is present. The stock of good colour with good contrast and figure. The large chequering has been recut. | R 7500.00 |
| B4 | Percussion Trade Musket Piece is strictly a wall-hanger in it's present form. Tang is broken off the breech area, and muzzle has eroded back beyond the stock. Stock has been decorated with shell bases, brass and aluminium circles. | R 1250.00 |
| B5 | .40cal/16ga John Hayton Cape Gun Short barrelled gun with Damascus barrels of 490mm, no doubt designed for use on horseback. Gun has an interesting adjustable fore sight as well as a tangent type rear sight. Top-rib is marked " John Hayton Grahams Town 8806 ". Plain bar action locks are marked " J Hayton ". Large patch box to butt which still has considerable traces of case-hardening to it. Extended tang and chequering to straight wrist. Steel butt plate with extended tang to it as well. " H.R " marking above patch box. Gun is built on very similar lines to the Patt. 1853 double barrelled carbine issued to the Cape Mounted Rifles unit. Gun would appear to have seen very little use and finish has a brown aged finish to them whilst the rest of the metalwork still shows fair traces of original bright blue. Crisp markings, clean lines to stock, good plus original condition. | R 9500.00 |
| B6 | 13ga Chas Fisher S/S Percussion Shotgun - Cased Brass bound mahogany case with faded " Charles Fisher " label to lid. Re-browned 28,5" heavy walled barrels for ball use to straight hand walnut stock with bar action locks. Locks marked " Chas. Fisher London ", Extensive engraving to locks, hammer & tang. Accessories include leather bound Dixon powder flask with silver mounts graduated from 21/4 to 3 drams, a tin of Joyce F4 No. 25 percussion caps, a brass oil bottle & ebony handled nipple wrench. Some light surface pitting to bores and some loss of definition to engraving & markings, otherwise good overall condition. | R 50000.00 |

- | | | |
|------------|--|-------------------|
| B7 | 16ga J. Blanch S/S Percussion Shotgun - Cased Brass cornered oak case with Blanch label to blue velvet lining. Re-browned 28,5" Damascus barrels with gold inlaid "J. Blanch London" to rib. Fully engraved back-action sidelocks, German silver trigger guard with game scene engraving, engraved German silver butt plate and fore end tip. Cased accessories include original Hawksley oil bottle, tin of percussion caps by Joyce, leather Hawksley shot flask with settings for 1, 11/8 & 11/4 oz with silver escutcheon to leather body. Leather bound Hawksley powder flask with silver mounts graduated for 21/4 to 3 Drams, also with silver escutcheon to leather body. Spring vice for dismantling locks, ivory container with screw-off lid and wooden handled, brass powder & shot measures/scoops by Hawksley. Clean bores, gun & accessories all in particularly good condition. It is very seldom that a gun of this quality & condition comes onto the market, complete with all accessories. | R 65000.00 |
| B8 | Brown Bess New Land Pattern Flintlock Musket Full stock to 38" barrel. Crown cypher and+ "Tower" markings to lock. Military acceptance stamps & "12" to barrel. A groove has been filed for a foresight which is now missing. Cheek piece to butt which has brass nose cap, pipes, trigger guard and butt plate. British new land pattern Sergeants Carbine of 1832. With the advent of the percussion action these carbines saw little service and may have been consigned to the colonies. (See British Military Longarms by D W Bailey, page 113) Good to good plus condition. | R 11000.00 |
| B9 | 10ga. Flintlock Musket Octagonal to round 37" barrel with unusual ring type bayonet fitting to muzzle. European styled lock, Full-stock with brass pipes, trigger guard, side plate and butylate, the back of which is missing. Swedish 1747 military flintlock musket, their principal weapon during the seven years war, 1756 to 1763, which involved most European states. The lugs at the muzzle appear to be for a grenade launcher but no detail was found. Fair to good overall condition. | R 8500.00 |
| B10 | .451cal Ardesa Hawken Match Repro Rifle Percussion, mid-range target rifle with 1-20" twist enabling it stabilise the long 500gr. conical bullet. Octagonal barrel of 32", weight of rifle is 9,5 lbs. Trigger guard has a long decorative tail which gives the rifle a pistol grip feel. Rifle is equipped with Pedersoli folding peep target rear sight and tunnel foresight as well as a target sling. Good overall condition. | R 5500.00 |
| B11 | .40cal Ardesa Under-Hammer Target Pistol - Cased Complete with flask, starter, Pedersoli mould & rod. Saw-handle grip, 9.5" (242mm) barrel, windage adjustable rear sight. Excellent condition. Cased. | R 6500.00 |

- D107 P. W Botha Provenanced 9mmp Sanna 77 HMC - Boxed R 6500.00**
 According to information received from the vendor, this Sanna carbine was previously the property of the late P.W. Botha, Minister of Defence and then State president of South Africa. The carbines carries the serial no. PWB160112, in recognition of this ownership. The license transaction transferring ownership from P.W. Botha to the vendor was apparently carried out by the late SAP Genl. Chris Zietsman. The carbine is in a factory issue hard case with spare magazine & sling and has a strengthening modification done to the butt hinge which was prone to failure. The Sanna was a Rhodesian designed, S.A. manufactured adaptation of the Czech model 25 submachine gun. Very good condition.

The auctioneer reserves the right to dispose of the property in any manner he sees fit and recover reasonable administration and/or storage costs from the disposal of said property and/or the purchaser.

No subsequent claim arising from such a disposal shall be entertained and the auctioneer may not be held liable for any losses incurred by either the consignor or purchaser, or any other party, in this regard either publicly or privately and in such event to hold the purchaser liable for all costs including our commission and expenses for both sales, all other charges due hereunder, our attorneys fees and incidental charges.

All fees commissions, bid prices and duties not settled promptly by the purchaser in terms of this clause 2 shall bear interest at South African Bankers prime lending rate plus 3 percent from the seventh day following the sale until settlement is received in full.

In the event that a purchaser does not effect collection within four months of the sale date, of any item purchased, Classic Arms reserves the right to charge a storage fee of ZAR 150-00 per calendar month or part thereof. Such fee being payable monthly in advance from the first day of the month within which the six month period shall expire. In the event that the purchaser fails in his obligation to Classic Arms to pay such fee, Classic Arms, may at its own discretion, resell such item to recover such fee.

4. We reserve the right to withdraw any property at any time prior to the actual sale of such property. Unless actually stated by the auctioneer, all lots shall be offered against their catalogued number and no lot shall be divided for sale.

5. We reserve the right to reject any bid. The highest bid acknowledged by the auctioneer shall be deemed to be the final bid price. In the event of any dispute between bidders or, if in the sole opinion of the auctioneer he doubts the validity of a bid, the auctioneer shall have the sole right to determine the successful bid or to re-offer the property in dispute for sale. Our sale records shall be conclusive in any dispute during or after conclusion of the sale.

6. If for any reason beyond our control, including but not limited to, fire, theft, acts of God, or insurrection, we are prevented from delivering the property to the purchaser, then we will be liable only for the sum actually paid therefore by the purchaser and shall in no event include payment for consequential or incidental damages.

Classic Arms accepts no liability for any losses of whatsoever nature caused by any legislative changes in regard to the possession, by individuals or bodies, of firearms or ammunition.

7. If a lot is offered subject to a reserve (this being the confidential minimum price required by the consignor) then Classic Arms reserves the right to open the bidding or to bid on the consignor's behalf in order to protect such reserve.

Classic Arms shall not bid on the consignor's behalf above such reserve. IN NO EVENT MAY A CONSIGNOR BID ON ANY PROPERTY OFFERED FOR SALE BY SAID CONSIGNOR.

8. All lots are sold "Voetstoets". ALL STATEMENTS CONTAINED IN THE CATALOG OR IN ANY SALE DOCUMENTATION AS TO THE AUTHENTICITY, VALIDITY, AUTHORSHIP, PERIOD CULTURE, SOURCE, PROVENANCE, RARITY, CONDITION, IMPORTANCE OR HISTORICAL VALUE, ARE STATEMENTS OF OPINION AND ARE NOT REPRESENTATIONS OR WARRANTIES. NOT WARRANTY IS GIVEN AS TO ACCURACY OF RIFLES OR CLARITY OF OPTICS.

9. If we undertake packaging or handling of any lots on the purchaser's behalf it is done so entirely at the purchasers risk. We are not liable for any acts or omissions of carriers or packers including those recommended by us. Such carriers or packers may carry there own insurance and any claims for loss or damage should be addressed directly to them.

10. These Conditions of Sale and the respective rights of the purchaser and Classic Arms, are governed by the laws of South Africa. By bidding at an auction in person, or by agent, order-bid or telephone or other means, the buyer or bidder agrees to be bound by these *Conditions of Sale*. Any dispute controversy or claim arising out of or relating to this Agreement, or the breach, termination or validity thereof, brought by or against Classic Arms (but not including claims brought against the consignor by the purchaser of the lots consigned hereunder) shall be resolved by the parties in 10.

These *Conditions of Sale*, shall bind the successors and assigns of all bidders and purchasers and inure to the benefit of successors and assigns. No waiver amendment or modification of the terms hereof (other than posted notices or oral announcements during the sale) shall bind us unless specifically stated in writing signed by us.

11. Absentee Bids. As a service to those bidders that are unable to attend the actual auction, we may at our sole discretion accept bids in advance of sale by telephone, or in writing on the bidding forms provided in the back of the sale catalogue.

Please note that we cannot accept "buy" bids and all bids must clearly state the maximum (excluding buyers premium and any applicable taxes) bid that the bidder is willing to pay. In the event that identical absentee bids are received then the first bid received shall take. We accept no responsibility for not executing an absentee bid for any reason whatsoever.

12. Estimate prices. As a service to our clients, we furnish presale estimates for all lots. These estimates are intended as a guide to current market value and represent no warranty to bidder or seller as to the actual price. Bidding normally begins at 50% of the estimate but the final price may be more or less than the estimate value.

13. Sale Increments. The following increments apply to all lots bid for. Please note that the auctioneer will increment the purchase price at these rates and not at any rate bid from the floor. By bidding, a prospective purchaser acknowledges these increments.
